Re: 90-Day Auto Extension

To: Eligible Nevada Residents

Due to office closures for the health and safety of Nevada Department of Motor Vehicles (DMV) customers and staff, the DMV is issuing an automatic 90-day extension of all DMV issued documents (for example, but not limited to: driver's license, identification card, vehicle registration, etc.). This automatic extension applies to any document which contains an expiration date that falls in the following date range:

3/16/2020 thru 4/30/2020

This extension will begin on the date of expiration listed on your DMV issued document. You should carry this letter with your DMV issued document at all times as proof of eligibility for the automatic extension.

Please visit the DMV website for updated information regarding office closures and this extension.
