

ESTIMATED FUNDING

The City of North Las Vegas' **estimated** allocation for the 2009 – 2010 FY CDBG program year that extends from July 1, 2009 through June 30, 2010 is \$1,631,780. Twenty percent of that amount is designated for administration while the total of all public service projects cannot equal more than fifteen percent of the total allocation. The final approval of the City of North Las Vegas' project budgeting rests with the City of North Las Vegas City Council and these allocations will be forwarded the Clark County Board of Commissioners, which submits them to HUD each year.
