			** 5/24/13: Per Val Loper, contractor to provide requirement for installation of tankless water heater. Val had spoken to contractor twice regarding the necessary documents he needed to provide for approval. To this day I haven't seen contractor come in with these information. lrl					
			*5/1/13: I emailed the contractor to clarify if what he stated on the "layout" sheet that the Boys & Girls Club is "on demand" - if he meant instant hot that's installed under a sink or tankless water heater. Val Loper is aware. When the contractor has given us the information, need to change the work description below. It's up to Plans Examiner if we need additional information/plans to approve. lrl

<p>** 5/24/13: Per Val Loper, contractor to provide requirement for installation of tankless water heater. Val had spoken to contractor twice regarding the necessary documents he needed to provide for approval. To this day I haven't seen contractor come in with these information. lrl</p> <p>*5/1/13: I emailed the contractor to clarify if what he stated on the "layout" sheet that the Boys & Girls Club is "on demand" - if he meant instant hot that's installed under a sink or tankless water heater. Val Loper is aware. When the contractor has given us the information, need to change the work description below. It's up to Plans Examiner if we need additional information/plans to approve. lrl</p> <p>REMOVE EXISTING GAS WATER HEATER AND INSTALL A NEW 40 GALLON GAS WATER HEATER WITH SEISMIC STRAPS REQUIRED IN A COMMERCIAL PROPERTY, SAME FOR SAME. INSPECTION REQUIRED FOR THIS INSTALLATION.</p> <p>CONTACT: TECH PLUMBING & HEATING INC 702-885-0867</p> <p>CONVERT EXISTING ELECTRICAL GAS WATER HEATER INTO GAS WATER HEATER (40 GALLON) WITH SEISMIC STRAPS REQUIRED IN A COMMERCIAL PROPERTY.
