

Fiscal Year	Project Description
FY 2008/09	<p><u>Detention Administration Remodel</u>  This project involves remodeling a portion of the Detention Admin Building for use as office space and also the remodel of the kitchen facility.</p>
FY 2009/10	<p><u>Structural Engineer Evaluation of City Hall Setting</u>  The need for this project should be evaluated pending the future use of the current City Hall building.</p> <p><u>Roof Replacements - A-Dorm and B-Dorm</u>  The need for these roof replacements still exists. Currently Engineering is coordinating an assessment of the Dormitory buildings to develop a 10-year extended life plan. The roof replacements for A, B and F Dorms is part of the package assessment and should be addressed with these projects.</p>
FY 2010/11 & FY 2011/12	<p><u>Detention Admin Relocation &amp; Demolition</u>  With the completion of the Downtown Area Command, portions of the Detention Admin Building will be need to be demolished. Several functions, including the network hub and the clinic and kitchen will need to be relocated.</p>
FY 2012/13	<p><u>Install Backup Generator for City Hall Campus</u>  The need for this project should be evaluated pending the future use of the current City Hall building.</p> <p><u>Roof Replacements - Campus Modular Buildings</u>  During the 2005 remodel of these buildings, a roof coating was applied to extend the life five years. The replacement is needed by 2010/11.</p> <p><u>Paint Campus Building Exteriors</u>  This is still a valid project that needs to be done by 2010/11.</p>
