INFORMATION**

CITY OF NORTH LAS VEGAS

**SCHEDULE OF BUSINESS LICENSE FEES
SUBJECT TO THE PROVISIONS OF NRS 354.5989**

**FOR THE FISCAL YEAR ENDED JUNE 30, 2007
(UNAUDITED)**

Nevada Revised Statutes (NRS) 354.5989: As required by NRS 354.624, Section 4(a), all fees imposed by the City are subject to the provisions of NRS 354.5989. The City may adopt new business license fees only if the revenue from the fees is less than the calculated maximum prescribed by the statute. Total revenues for the year ended June 30, 2007, from business license fees exceeded the allowable maximum revenue in the flat or fixed fee revenue category. During the year ended June 30, 2007, the City did not increase or adopt any new fees.

Fees calculated as a percentage of gross revenue:

Business license revenue for the year based on percentage of gross		\$3,256,186
Less maximum allowable revenue:		
Prior year actual revenue	\$3,567,744	
Times increase in Consumer Price Index (CPI)	3.10%	(110,600)
Amount over allowable maximum		\$3,145,586

Fees calculated on a flat or fixed rate:

Business license revenue for the year based on flat or fixed rate		\$1,397,798
Less maximum allowable revenue:		
Adjusted business license revenue for the base year ended June 30, 2004	\$827,180	
Adjustment to base:		
Percentage increase in population of North Las Vegas	10.15%	
Percentage increase in CPI for the year ending December 31 next preceding the year for which the limit is being calculated	3.10%	
Total adjustment to base	13.25%	109,601
Adjustment base at June 30, 2007		936,781
Amount over allowable maximum		\$ 461,017
