Notice of Availability of Environmental Assessment (EA) for the Conversion of Portions of the City View Park and Municipal Golf Course to Non-Recreational Uses

The City of North Las Vegas is proposing the conversion of 5.40 acres of the approximately 30-acre City View Park and Municipal Golf Course to non-park land uses to build a fire station. The parkland will be replaced at a new site. The new park will be constructed (in phases) on 4.23 acres of a 4.32-acre parcel located on the northwest corner of Martin Luther King Boulevard and Brooks Avenue. With the proposed action, the City of North Las Vegas will reconfigure the existing park and golf course (in phases) at City View Park to retain both park and golf uses.
