***Based on HUD median income guidelines of March 28, 2016.**

I hereby certify that my household size and income are as stated above. I consent to verification of this information by the organization, the City of North Las Vegas, Clark County, or HUD officials, as requested. * The FY 2014 Consolidated Appropriations Act changed the definition of extremely low-income to be the greater of 30/50ths (60 percent) of the Section 8 very low-income limit or the poverty guideline as established by the Department of Health and Human Services (HHS), provided that this amount is not greater than the Section 8 50% very low-income limit. Consequently, the extremely low income limits may equal the very low (50%) income limits.
