WELCOME

The decision of the Planning Commission is final unless the decision is appealed to the City Council, or the item is required to be forwarded to the City Council for final action. The Planning Commission's approval of a Zoning Reclassification is automatically forwarded to the City Council upon approval; however, the Planning Commission's denial of a proposed Zoning Reclassification is final, unless appealed to the City Council. Any item that is appealed to the City Council must be filed with the City Clerk within seven calendar days of the Planning Commission decision. All appeals shall be submitted in writing on a form provided by the City Clerk and comply with all Municipal Code requirements.

Unless otherwise noted, all agenda items are **ACTION** items, except for those listed for discussion only and Public Forum issues. Items on the agenda may be taken out of order. The Planning Commission may combine two or more agenda items for consideration; and may remove an item from the agenda or delay discussions relating to an item on the agenda at any time.

Individuals wishing to speak on Public Hearing items are encouraged to complete a yellow card and submit it to the Planning Commission. The applicant will be permitted up to ten (10) minutes to present his or her application to the Commission. If possible, the Commission members will hold any questions until the conclusion of the applicant's presentation.

After the close of the initial presentation by an applicant, anyone wishing to offer comments will be permitted up to three (3) minutes to offer his or her statement to the Commission regarding the application presented. At the conclusion of the public comment period, the applicant will be permitted five (5) minutes to present his or her summary/rebuttal to the Commission.

Any deviations from the above time limits must be approved by the Commission before commencing any presentation by the applicant or members of the general public. Any request to waive the above time restrictions is limited to one (1) minute. The Commission may grant additional time, if it is deemed necessary.
