STAFF COMMENTS AND BACKGROUND INFORMATION:

The sub-grant award from the Nevada Department of Public Safety, Office of Criminal Justice Assistance, under the 2017 Edward Byrne Memorial Justice Assistance Grant (JAG), will be used to purchase inventory and asset software and equipment replacement.

The North Las Vegas Police Department will be able to replace of the Department's current eight year old inventory and asset tracking application. The replacement for this inventory equipment will include bar code scanners, signature pads and the purchase for a mobile bar code scanner with ability to capture signatures for the department's seven remote off-sites. The current application for inventory and asset management is performed by one warehouse clerk. The new application will provide transparency and necessary access for supervisors and civilian staff to research existing inventory and assets, will enhance the capabilities to maintain accurate stock count and tracking of items.
