STAFF COMMENTS AND BACKGROUND INFORMATION:

At their meeting of November 8, 2017, the Planning Commission unanimously recommended approval (7-0 vote). Commissioner Travis Roundy made the motion to approve.

On September 21, 2017, a Special Joint City Council and Planning Commission meeting was held. At this meeting, there was discussion regarding the proposed amendments to the medical marijuana provisions and adding new provisions for recreational marijuana. As a result of the discussion, staff was directed to amend the Zoning Ordinance.

The proposed ordinance amendment essentially removes the word “medical” and would treat medical and recreational marijuana in a very similar nature. Both uses would still require a special use permit to be reviewed and approved by the Planning Commission.
