Installments of interest due on or prior to the Redemption Date shall be payable as herein provided for payment of interest. All installments of principal on the Bond or the Bond which have been prepaid shall be noted on the prepayment panel appended to the Bond.

D. The Mayor, the Treasurer and the Clerk are hereby authorized and directed to prepare and to execute the Bonds as herein provided.

SECTION 20. USE OF PREDECESSOR'S SIGNATURE. The Bonds bearing the signatures of the officers in office at the time of the execution of the Bonds shall be valid and binding obligations of the City, notwithstanding that before their delivery any or all of

the persons who executed them shall have ceased to fill their respective offices. The Mayor, the Treasurer, and the Clerk at the time of the execution of a signature certificate relating to the Bonds, may each adopt as and for his own facsimile signature the facsimile signature of his predecessor in office if such facsimile signature appears upon any of the Bonds.

The final installment of principal on the Bond shall be made only upon surrender of the Bond at the office of the Paying Agent. The Bond shall mature in installments of principal and bear interest substantially as provided in Sections 13 through 15 hereof. If a portion of principal of the Bond is called for prepayment, no payment of the principal or Redemption Price of or interest on the Bond, due on or after the date fixed for prepayment shall be made unless the Bond is presented to the Paying Agent and notation of the installments of principal so called for prepayment is made on such Bond. The final installment of principal on this Bond is payable only on presentation and surrender of this Bond at the office of the Paying Agent.

This single bond is a duly authorized bond of the City (the "Bond") to defray, in part, the cost of acquiring, improving and equipping sewer projects (the "Project") under the authority of and in full compliance with the constitution and laws of the State.

This Bond is issued pursuant to Nevada Revised Statutes ("NRS") 350.500 through 350.720, and all laws amendatory thereof designated in NRS 350.500 thereof as the Local Government Securities Law (the "Bond Act"); pursuant to NRS 350.011 to 350.0165, inclusive; pursuant to NRS 350.020(3); pursuant to NRS 268.672 through 268.740, inclusive, pursuant to NRS 445A.200 to 445A.295, inclusive (the "SRF Act"); and pursuant to NRS chapter 348; pursuant to NRS 350.628, this recital is conclusive evidence of the validity of the Bond and the regularity of their issuance; and pursuant to NRS 350.710, the Bond, its transfer, and the income therefrom shall forever be and remain free and exempt from taxation by the State or any subdivision thereof, except for the tax on estates imposed pursuant to the provisions of Chapter 375A of NRS and the tax on generation-skipping transfers pursuant to the provisions of chapter 375B of NRS.

Installments of principal of the Bond are subject to prepayment as provided in the Ordinance. Prepayment shall be made on not less than 30 days prior notice in the manner and upon the conditions provided in the Ordinance. If a prepayment is made on this Bond as specified in the Ordinance, interest shall cease to accrue on the amount prepaid from and after the date fixed for prepayment. If a portion of the principal of this Bond is called for prepayment, no payment of the principal of and interest due in connection with this Bond due on and after the prepayment date shall be made unless this Bond is presented to the Paying Agent and notation of the installments of principal so called for prepayment is made on the Prepayment Panel appended hereto.

It is hereby certified and recited that all of the requirements of law have been fully complied with by the proper officers of the City in the issuance of this Bond; that the total indebtedness of the City, including that of this Bond, does not exceed any limit of indebtedness prescribed by the Constitution or by the laws of the State; that provision has been made for the levy and collection of general (ad valorem) taxes ("General Taxes") against all taxable property within the City sufficient to pay the Bond

Requirements of this Bond when the same become due (except to the extent that other revenues are available therefor), subject to the limitations imposed by the Constitution and statutes of the State; and that the full faith and credit of the City are hereby irrevocably pledged to the punctual payment of the Bond Requirements of this Bond according to its terms.

Payment of the principal of and interest on this Bond is additionally secured by a pledge of the net revenues (herein called the "Net Revenues") derived by the City from the operation and use of, and otherwise pertaining to, the water and sewer systems of the City of which the project financed by this Bond is a part, consisting of all properties, real, personal, mixed or otherwise, now owned or hereafter acquired by the City, through purchase, construction or otherwise, and in any way pertaining thereto, whether or not located within or without or both within and without the boundaries of the City, including, without limitation, machinery, apparatus, structures and buildings, and related or appurtenant furniture, fixtures and other equipment, or any combination thereof (herein called the "Municipal Utility System"), whether resulting from extension, enlargements, repairs, betterments or other improvements to the Municipal Utility System, or otherwise, but excluding (1) moneys raised for capital improvements, and (2) grants, appropriations or gifts for limited uses, and after provision is made for the payment of all necessary and reasonable operation and maintenance expenses of the Municipal Utility System, which Net Revenues are so pledged as more specifically provided in the Ordinance.

This Bond is equally and ratably secured by such pledge of the Net Revenues, and such pledge constitutes an irrevocable second lien (but not an exclusive second lien) upon the Net Revenues, subordinate to the lien on the Net Revenues of the Superior Securities and on a parity with the lien on the Net Revenues of the City's outstanding Parity Securities (as such terms are defined in the Ordinance). Additional securities may be issued and made payable from the Net Revenues of the Municipal Utility System and having a lien thereon superior to, subordinate to or on a parity with such pledge, in each case subject to the conditions of and in accordance with the Ordinance.

Reference is made to the Ordinance and to the Bond Act for an additional description of the nature and extent of the security for this Bond, the accounts, funds, or revenues pledged, the nature and extent and manner of enforcement of the pledge, the rights and remedies of the registered owner of this Bond with respect thereto, the terms and conditions upon which this Bond is issued, and a statement of rights, duties, immunities, and obligations of the City, and other rights and remedies of the owner of this Bond.

To the extent and in the respects permitted by the Ordinance, the provisions of the Ordinance may be amended or otherwise modified by action of the City taken in the manner and subject to the conditions and exceptions prescribed in the Ordinance. The pledge of Net Revenues under the Ordinance may be discharged at or prior to the respective maturities or prepayment of the Bond upon the making of provision for the payment thereof on the terms and conditions set forth in the Ordinance.

This Bond shall not be entitled to any benefits under the Ordinance, or be valid or obligatory for any purpose until the registration panel hereon shall have been manually signed on behalf of the Registrar.

No recourse shall be had for the payment of the Bond Requirements of this Bond or for any claim based thereon or otherwise in respect to the Ordinance or any other instrument pertaining thereto, against any individual member of the Council, or any officer or other agent of the City, past, present or future, either directly or indirectly through the Council or the City, or otherwise, whether by virtue of any constitution, statute or rule of law, or by the enforcement of any penalty or otherwise, all such liability, if any, being by the acceptance of this Bond and as a part of the consideration of its issuance specially waived and released.

SECTION 25. DELIVERY OF THE BONDS; DEPOSIT OF PROCEEDS. When the Bonds have been duly executed, the City Treasurer shall cause them to be delivered to the State upon receipt of the initial advance under the Bonds and shall authenticate and register them in the name of the State on the Bond registration records of the Registrar and make notation of such registration on the registration panel appended to the Bonds. The City Treasurer shall cause the proceeds of the Bonds to be deposited into a special account hereby created and designated as the " City of North Las Vegas, Nevada, General Obligation (Limited Tax) Water Bond (Additionally Secured by Pledged Revenues), Series 2018C, Acquisition Account" (the "Acquisition Account") to be held by the City. Moneys in the Acquisition Account shall be used solely to defray wholly or in part the Cost of the Project including, without limitation, as provided in NRS 350.516, all costs of issuing the Bonds, and the costs of rebates to the United States under Section 148 of the Tax Code, which the Council hereby determines are necessary and desirable and pertain to the Project. After the Project is complete and after all expenses have been paid or adequate provision therefore is made, pursuant to NRS 350.650, any unexpended balance of Bond proceeds (or, unless otherwise required by law, any other moneys) remaining in the Acquisition Account shall be deposited into the Bond Fund hereinafter created to be used to pay the principal of and interest on the Bonds.

SECTION 26. COMPLETION OF PROJECT. The City, with the proceeds derived from the sale of the Bonds, shall proceed to complete the Project with due diligence.

SECTION 27. USE OF INVESTMENT GAIN. Pursuant to NRS 350.658, and except as may otherwise be required herein, any gain from any investment and any reinvestment of any proceeds of the Bonds shall be deposited promptly upon the receipt of such gain at any time or from time to time into the Acquisition Account to defray, in part, the Cost of the Project or, if adequate provision has been made for the Project, into the Bond Fund hereinafter created, for the respective payment of the principal of or interest on the Bonds or any combination thereof. As provided herein, the annual General Taxes for the payment of the principal of or interest on the Bonds levied after such deposits of any such investment or reinvestment gain may be diminished to the extent of the availability of such deposit for the payment of such principal or interest.

SECTION 28. PREVENTION OF BOND DEFAULT. Subject to the provisions of this Ordinance, the Treasurer shall use any Bond proceeds credited to the Acquisition Account, without further order or warrant, to pay the Bond Requirements of the Bonds as the same become due whenever and to the extent moneys otherwise available therefor are insufficient for that purpose, unless such Bond proceeds shall be needed to defray obligations accrued and to accrue under any contracts then existing and relating to the Project. The Treasurer shall promptly notify the Council of any such use.

SECTION 29. PURCHASER NOT RESPONSIBLE. The validity of the Bonds shall not be dependent on nor be affected by the validity or regularity of any proceedings relating to the Project, or any part thereof, or to the completion of the Project. Neither the State, nor any subsequent owner of any Bond shall in any manner be responsible for the application or disposal by the City or by any of its officers, agents and employees of the

moneys derived from the sale of the Bonds or of any other moneys referred to in this Ordinance.

SECTION 30. GENERAL TAX LEVIES. So far as possible, the Bond Requirements of the Bonds shall be paid from Net Revenues of the Municipal Utility System. However, pursuant to NRS 350.596, at any time when there are not on hand from such tax levy or levies sufficient funds on deposit in the Bond Fund to pay, when due the principal of and interest on the Bonds, the Bond Requirements shall be paid out of a general fund of the City or out of any other funds that may be available for such purpose, including, without limitation, any proceeds of General Taxes. For the purpose of repaying any moneys so paid from any such fund or funds (other than any moneys available without replacement for the payment of such Bond Requirements on other than a temporary basis), and for the purpose of creating funds for the payment of the Bond Requirements, there are hereby created two separate accounts designated as the "City of North Las Vegas, Nevada, General Obligation (Limited Tax) Water Bonds (Additionally Secured by Pledged Revenues), Series 2018C, Interest Account" (the "Interest Account") and the "City of North Las Vegas, Nevada, General Obligation (Limited Tax) Water Bonds (Additionally Secured by Pledged Revenues), Series 2018C, Principal Account" (the "Principal Account") (collectively, the "Bond Fund"). Pursuant to NRS 350.592 and 350.594, there shall be duly levied immediately after the issuance of the Bonds and annually thereafter, until all of the Bond Requirements shall have been fully paid, satisfied and discharged, a General Tax on all property, both real and personal, subject to taxation within the boundaries of the City, including the net proceeds of mines, fully sufficient to reimburse such fund or funds for any such amounts temporarily advanced to pay such initial installments of principal and interest, and to pay the interest on the Bonds becoming due after such initial installment, and to pay and retire the Bonds as they thereafter become due at maturity as herein provided, after there are made due allowances for probable delinquencies. The proceeds of such annual levies shall be duly credited to such separate accounts for the payment of such Bond Requirements. In the preparation of the annual budget or appropriation resolution or ordinance for the City, the Council shall first make proper provisions through the levy of sufficient General Taxes for the payment of the interest on and the retirement of the principal of the bonded indebtedness of the City, including, without limitation, the Bonds, subject to the limitation imposed by NRS ' 361.453 and Section 2, art. 10, State Constitution, and the amount of money necessary for this purpose shall be a first charge against all the revenues received by the City.

SECTION 31. PRIORITIES FOR BONDS. As provided in NRS 361.463, in any year in which the total General Taxes levied against the property in the City by all overlapping units within the boundaries of the City exceeds the limitation imposed by NRS 361.453, or a lesser or greater amount fixed by the State Board of Examiners in any Fiscal Year, and it becomes necessary by reason thereof to reduce the levies made by any and all such units, the reductions so made shall be in General Taxes levied by such unit or units (including, without limitation, the City and the State) for purposes other than the payment of their bonded indebtedness, including interest thereon. The General Taxes levied for the payment of such bonded indebtedness and the interest thereon shall always enjoy a priority over General Taxes levied by each such unit (including, without

limitation, the City and the State) for all other purposes where reduction is necessary in order to comply with the limitation of NRS 361.453.

SECTION 32. CORRELATION OF LEVIES. Such General Taxes shall be levied and collected in the same manner and at the same time as other taxes are levied and collected, and the proceeds thereof for the Bonds shall be kept in the Principal Account and in the Interest Account, which accounts shall be used for no other purpose than the payment of principal and interest, respectively, as the same fall due.

SECTION 33. USE OF GENERAL FUND. Any sums becoming due on the Bonds at any time when there are on hand from such General Taxes (and any other available moneys) insufficient funds to pay the same shall be promptly paid when due from general funds on hand belonging to the City, reimbursement to be made for such general funds in the amounts so advanced when the General Taxes herein provided for have been collected, pursuant to NRS 350.596.

SECTION 34. USE OF OTHER FUNDS. Nothing in this Ordinance prevents the City from applying any funds (other than General Taxes but including Net Revenues) that may be available for that purpose to the payment of the Bond Requirements as the same, respectively, fall due, and upon such payments, the levy or levies herein provided may thereupon to that extent be diminished, pursuant to NRS 350.598.

SECTION 35. LEGISLATIVE DUTIES. In accordance with NRS 350.592, it shall be the duty of the Council annually, at the time and in the manner provided by law for levying other General Taxes of the City, if such action shall be necessary to effectuate the provisions of this Ordinance, to ratify and carry out the provisions hereof with reference to the levy and collection of General Taxes; and the Council shall require the officers of the City to levy, extend and collect such General Taxes in the manner provided by law for the purpose of creating funds for the payment of the principal of the Bonds and the interest thereon. Such General Taxes when collected shall be kept for and applied only to the payment of the principal of and the interest on the Bonds as hereinbefore specified.

SECTION 36. APPROPRIATION OF GENERAL TAXES. In accordance with NRS 350.602, there is hereby specially appropriated the proceeds of such General Taxes to the payment of such principal of and interest on the Bonds; and such appropriations will not be repealed nor the General Taxes postponed or diminished (except as herein otherwise expressly provided) until the Bond Requirements of the Bonds have been wholly paid.

SECTION 37. PLEDGE OF GROSS REVENUES. Subject only to the provisions of this Ordinance permitting the application thereof for or to the purposes and on the terms and conditions set forth herein, there are hereby additionally pledged to secure the payment of principal of and interest on the Bonds in accordance with their terms and the provisions of this Ordinance, all of the Gross Revenues of the Municipal Utility System. This pledge shall be valid and binding from and after the date of the delivery of the Bonds; and the Gross Revenues, as received by the City shall immediately be subject

to the lien of this pledge without any physical delivery thereof, any filing or further act; and the lien of this pledge shall be valid and binding as against all parties having claims of any kind in tort, contract or otherwise against the City (except as herein otherwise provided) irrespective of whether such parties have notice thereof. The lien of this pledge and the obligation to perform the contractual provisions hereby made shall have priority over any and all other obligations and liabilities of the City payable from the Gross Revenues, except as herein otherwise provided. The lien of this pledge for the Bonds is subordinate to the pledge of the Gross Revenues for the City's Outstanding General Obligation (Limited Tax) Water and Sewer Refunding Bonds (Additionally Secured by Pledged Revenues), Series 2005A (the "2005A Bonds"), General Obligation (Limited Tax) Water and Sewer Refunding Bonds (Additionally Secured by Pledged Revenues), Series 2005B (the "2005B Bonds"), General Obligation (Limited Tax) Wastewater Reclamation System Bonds (Additionally Secured by Pledged Revenues), Series 2006 (the "2006 Bonds") and the General Obligation (Limited Tax) Wastewater Reclamation System Refunding Bonds (Additionally Secured by Pledged Revenues), Series 2017A to be issued (the "2017A Bonds"). The 2005A Bonds, the 2005B Bonds, the 2006 Bonds and the 2017A Bonds (collectively the "Superior Bonds"). The lien of this pledge for the Bonds is on a parity with the pledge of the Gross Revenues for the City's General Obligation (Limited Tax) Water and Wastewater Improvement Bonds (Additionally Secured By Pledged Revenues) Series 2010A (Taxable Direct Pay Build America Bonds) and General Obligation (Limited Tax) Wastewater Reclamation System Bonds (Additionally Secured by Pledged Revenues), Series 2018B expected to be issued simultaneously with the Bonds and the Bonds shall be equitably and ratably secured by the pledge of Gross Revenues hereunder on a subordinate basis to the Superior Securities; and the Bonds and the Parity Securities are not entitled to any priority one over the other in the application of Gross Revenues.

SECTION 38. WATER UTILITY ENTERPRISE FUND AND SEWER UTILITY ENTERPRISE FUND. So long as any of the Bonds hereby authorized shall be Outstanding as to any Bond Requirements, the entire Gross Revenues of the Water System upon their receipt from time to time by the City shall be set aside and credited immediately to a special account heretofore created designated as the "City of North Las Vegas Water Utility Enterprise Fund" (the "Water Utility Enterprise Fund"). In addition, and so long as any of the Bonds hereby authorized shall be Outstanding as to any Bond Requirements, the entire Gross Revenues of the Sewer System upon their receipt from time to time by the City shall be set aside and credited immediately to a special account heretofore created, designated as the "City of North Las Vegas Sewer Utility Enterprise Fund" (the "Sewer Utility Enterprise Fund"); so long as any of the Bonds hereby authorized shall be Outstanding as to any Bond Requirements each Fiscal Year, the Water Utility Enterprise Fund and the Sewer Utility Enterprise Fund shall be administered and the moneys on deposit in each account shall be applied in the order of priority specified in Sections 39 through 44 hereof.

SECTION 39. OPERATION AND MAINTENANCE FUND. City of North Las Vegas Water System Operation and Maintenance Fund (the "Water System Operation and Maintenance Fund") money sufficient to pay operation and maintenance expenses of the Water System, and so long as any of the Bonds hereby authorized shall be Outstanding as a first charge on the Sewer Utility Enterprise Fund there shall be set aside in and credited to from time to time a separate account heretofore created and known as the "City of North Las Vegas Sewer System Operation and Maintenance Fund" (the "Sewer System Operation and Maintenance Fund") money sufficient to pay operation and maintenance expenses of the Sewer System, such operation and maintenance expenses of the Water System and of the Sewer System are to be as budgeted and approved in accordance with the Budget Act and as such expenses become due and payable thereupon they shall be promptly paid; any surplus remaining at the end of the Fiscal Year and not needed for operation and maintenance expenses of the Water System shall be transferred to the Water Utility Enterprise Fund and shall be used for the purposes thereof as herein provided. Any surplus remaining at the end of the Fiscal Year and not needed for operation and maintenance expenses of the Sewer System shall be transferred to the Sewer Utility Enterprise Fund and shall be used for the purposes thereof as herein provided.

SECTION 40. SUPERIOR SECURITIES. Second, from any moneys thereafter remaining in the Water Utility Enterprise Fund and Sewer Utility Enterprise Fund, i.e., from the Net Revenues, there shall be transferred and credited to the funds and accounts established for the Superior Securities such transfers and credits as are required by the bond ordinances authorizing the Superior Securities prior to the application of Net Revenues for securities that are subordinate to the Superior Securities.

Any amounts in the 2018C Rebate Account in excess of those required to be on deposit therein may be withdrawn therefrom and deposited into the Revenue Fund.

SECTION 43. PAYMENT OF SUBORDINATE SECURITIES. Fifth, any moneys thereafter remaining in the Revenue Fund may be used by the City for the payment of the principal of and interest on, and payments to the United States required by Section 148(f) of the Tax Code with respect to, Subordinate Securities; and may be used to create reasonable reserves for such securities.

SECTION 44. SURPLUS REVENUES. Sixth, any moneys thereafter remaining in the Revenue Fund may be used by the City at the end of any Fiscal Year of the City, or whenever there shall have been credited all amounts required to be deposited in the respective foregoing separate accounts for all of that Fiscal Year, for any lawful purposes of the City, as the Council may from time to time determine, including, without limitation, for the creation of operation and maintenance reserves and capital reserves, the payment of capital costs and major maintenance costs of the Municipal Utility System, to pay any other obligations pertaining to the Municipal Utility System or otherwise.

SECTION 45. TERMINATION OF DEPOSITS. No payment need be made into the Bond Fund if the amounts in that fund total a sum at least equal to the entire amount of the Outstanding Bonds as to all Bond Requirements to their respective maturities both

accrued and not accrued, in which case moneys in such fund in an amount, except for any interest or other gain to accrue from any investment of moneys in Federal Securities from the time of any such investment to the time or respective times the proceeds of any such investment or deposit shall be needed for such payment, at least equal to such Bond Requirements, shall be used, together with any such gain from such investments, solely to pay such Bond Requirements as the same become due.

SECTION 46. EQUAL SECURITY. The Prior Bonds, the Bonds and any Parity Securities from time to time Outstanding shall be equally and ratably secured by the pledge of Gross Revenues hereunder and shall not be entitled to any priority one over the other in the application of the Gross Revenues regardless of the time or times of the issuance of the Prior Bonds, the Bonds and any Parity Securities.

SECTION 47. DEFRAYING DELINQUENCIES. If at any time the City shall for any reason fail to pay into the Bond Fund or the 2018C Rebate Account the full amount above stipulated from the Net Revenues, then an amount shall be paid first into the Bond Fund and second into the 2018C Rebate Account at such time equal to the difference between that paid from the Net Revenues and the full amount so stipulated. If the Prior Bonds or Parity Securities are Outstanding, and if the proceedings authorizing issuance of those securities require the replacement of moneys in a bond fund, reserve fund or rebate account therefor, then the moneys replaced in such funds shall be replaced on a pro rata basis related to the principal amount of the then Outstanding Bonds and the then Outstanding Prior Bonds and Parity Securities, as moneys become available therefor, first into all of such bond funds and reserve funds and second into all such rebate accounts.

SECTION 48. SUPERIOR SECURITIES. The City shall not issue any additional Superior Securities; however, the Superior Bonds Outstanding on the date of issuance of the Bonds shall continue as Superior Securities until paid and discharged in accordance with their terms, including any bonds refunding such Superior Securities.

SECTION 49. CONDITIONS TO ADDITIONAL PARITY SECURITIES.

A. Nothing herein, except as expressly hereinafter provided, shall prevent the issuance by the City of additional securities payable from Net Revenues and constituting a lien thereon on a parity with, but not prior or superior to, the lien thereon of the Bonds, provided, however, that the following are express conditions to the authorization and issuance of any such Parity Securities:

1. At the time of adoption of the instrument authorizing the issuance of the additional Parity Securities, the City shall not be in default in the payment of principal of or interest on the Bonds.

2. The Net Revenues (subject to adjustments as hereinafter provided) projected by the City's City Manager or Chief Financial Officer, City Engineer or an Independent Accountant or consulting engineer to be derived in the later of (i) the Fiscal Year immediately following the Fiscal Year in which the facilities to

be financed with the proceeds of the additional Parity Securities are projected to be completed or (ii) the first Fiscal Year for which no interest has been capitalized for the payment of any Parity Securities, including the Parity Securities proposed to be issued, will be sufficient to pay at least an amount equal to the principal and interest requirements (to be paid during that Fiscal Year) of the Outstanding Bonds, any other Outstanding Parity Securities of the City and the Parity Securities proposed to be issued (excluding any reserves therefor).

B. In any determination of whether or not additional Parity Securities may be issued in accordance with the foregoing earnings test, consideration shall be given to any probable estimated increase or reduction in Operation and Maintenance expenses that will result from the expenditure of the funds proposed to be derived from the issuance and sale of the additional Parity Securities.

C. In any determination of whether or not additional Parity Securities may be issued in accordance with the foregoing earnings test, the respective annual principal (or redemption price) and interest requirements shall be reduced to the extent such requirements are scheduled to be paid with moneys held in trust or in escrow for that purpose by any Trust Bank, including the known minimum yield from any investment in Federal Securities.

D. A written certificate or written opinion by the City's City Manager or Chief Financial Officer, the City Engineer, or an independent accountant or consulting engineer that the foregoing earnings test is met shall be conclusively presumed to be accurate in determining the right of the City to authorize, issue, sell and deliver additional Parity Securities.

E. In connection with the authorization of any such additional securities the Council may on behalf of the City adopt any additional covenants or agreements with the holders of such additional securities; provided, however, that no such covenant or agreement may be in conflict with the covenants and agreements of the City herein and no such covenant or agreement may be materially adverse to the interests of the holders of the Bonds. Any finding of the Council to the effect that the foregoing requirements are met shall, if made in good faith, conclusively establish that the foregoing requirements have been met for purposes of this Ordinance.

SECTION 50. SUBORDINATE SECURITIES. Nothing herein, except as expressly hereinafter provided, shall prevent the City from issuing additional securities payable from Net Revenues and constituting a lien thereon subordinate to the lien thereon of the Bonds and any Outstanding Parity Securities.

SECTION 51. ISSUANCE OF REFUNDING BONDS.

A. At any time after the Bonds, or any part thereof, are issued and remain Outstanding, if the City shall find it desirable to refund any Outstanding Bonds or other Outstanding Superior, Parity or Subordinate Securities, such Bonds or other securities, or any part thereof, may be refunded only if the Bonds

or other securities at the time or times of their required surrender for payment shall then mature or shall be then callable for prior redemption for the purpose of refunding them at the City's option upon proper call, unless the owner or owners of all such Outstanding securities consent to such surrender and payment, regardless of whether the priority of the lien for the payment of the refunding securities on the Gross Revenues is changed (except as provided in Section 47F hereof).

B. The refunding bonds or other refunding securities so issued shall enjoy complete equality of lien with the portion of any securities of the same issue which is not refunded, if there is any; and the owner or owners of the refunding securities shall be subrogated to all of the rights and privileges enjoyed by the owner or owners of the unrefunded securities of the same issue partially refunded by the refunding securities.

C. Any refunding bonds or other refunding securities payable from any Gross Revenues shall be issued with such details as the Council may by ordinance provide, subject to the provisions of this section but without any impairment of any contractual obligation imposed upon the City by any proceedings authorizing the issuance of any unrefunded portion of the Outstanding securities of any one or more issues (including, without limitation, the Bonds).

D. If only a part of the Outstanding Bonds and other Outstanding securities of any issue or issues payable from the Gross Revenues is refunded, then such securities may not be refunded without the consent of the owner or owners of the unrefunded portion of such securities:

1. Unless the refunding bonds or other refunding securities do not increase for any Bond Year the aggregate principal and interest requirements evidenced by the refunding securities and by the Outstanding securities not refunded on and before the last maturity date or last Redemption Date, if any, whichever is later, of the unrefunded securities, and unless the lien of any refunding bonds or other refunding securities on the Net Revenues is not raised to a higher priority than the lien thereon of the Bonds or other securities thereby refunded; or

2. Unless the lien on any Gross Revenues for the payment of the refunding securities is subordinate to each such lien for the payment of any securities not refunded; or

3. Unless the refunding bonds or other refunding securities are issued in compliance with Section 47 hereof.

**SECTION 52. OPERATION OF THE SYSTEM.** The City shall at all times operate the Municipal Utility System properly and in a sound and economical manner and shall maintain, preserve and keep the Municipal Utility System properly, or cause the same so to be maintained, preserved and kept, in good repair, working order and condition. The City also shall from time to time make or cause to be made all necessary and proper repairs, replacements and renewals so that at all times the operation of the

Municipal Utility System may be properly and advantageously conducted in conformity with standards customarily followed by municipalities operating water and sanitary systems of like size and character. Except for the use of the Municipal Utility System or services pertaining thereto in the normal course of business, neither all nor a substantial part of the Municipal Utility System shall be sold, leased, mortgaged, pledged, encumbered, alienated or otherwise disposed of until all the Bonds have been paid in full, or unless provision has been made therefor as hereinafter provided.

**SECTION 53. PAYMENT OF TAXES, ETC.** The City shall pay or cause to be paid all taxes, assessments and other municipal or governmental charges, if any, lawfully levied or assessed upon or in respect of the Municipal Utility System or any part thereof, or upon any portion of the Gross Revenues, when the same shall become due. The City shall duly observe and comply with all valid requirements of any municipal or governmental authority relative to the Municipal Utility System or any part thereof, except for any period during which the validity of the same is being contested in good faith by proper legal proceedings. The City shall not create or suffer to be created any lien or charge on the Municipal Utility System or any part thereof, or upon the Gross Revenues, except the pledge and lien created by this Ordinance for the payment of the Prior Bonds, the Bonds and any Outstanding Parity or Subordinate Securities issued in accordance herewith, and except as herein otherwise permitted. The City shall pay or cause to be discharged or shall make adequate provision to satisfy and to discharge within 60 days after the same shall become payable, all lawful claims and demands for labor, materials, supplies or other objects which, if unpaid, might by law become a lien upon the Municipal Utility System or any part thereof, or upon the Gross Revenues. Nothing herein contained requires the City to pay or cause to be discharged or to make provision for any such tax, assessment, lien, charge or demand before the time when payment thereon shall be due, or so long as the validity thereof shall be contested in good faith by appropriate legal proceedings.

**SECTION 54. NO COMPETING FACILITIES.** The City shall neither construct nor permit to be constructed other facilities or structures to be operated by the City separate from the Municipal Utility System and competing for Gross Revenues otherwise available for the payment of the Bonds or any other securities payable from Net Revenues; provided, however, that nothing herein contained shall impair the police powers of the City or otherwise cause the City to violate any applicable law.

**SECTION 55. RATE COVENANT.** The City shall not provide free service through the Municipal Utility System. The City shall charge against users or against purchasers of services or commodities pertaining to the Municipal Utility System such fees, rates and other charges as shall be sufficient to produce Gross Revenues annually which, together with any other funds available therefor, will be in each Fiscal Year of the City at least equal to the sum of:

A. an amount equal to the annual Operation and Maintenance Expenses for such Fiscal Year;

B. an amount equal to the debt service due in such Fiscal Year on the then Outstanding Superior Securities, the Bonds and any Outstanding Parity Securities; and

C. any other amounts payable from the Net Revenues and pertaining to the Municipal Utility System, including, without limitation, debt service on any Subordinate Securities and any other securities pertaining to the Municipal Utility System, operation and maintenance reserves, capital reserves and prior deficiencies pertaining to any account relating to Gross Revenues.

The foregoing rate covenant is subject to compliance by the City with any legislation of the United States of America, the State or other governmental body, or any regulation or other action taken by the United States, the State or any agency or political subdivision of the State pursuant to such legislation, in the exercise of the police power thereof for the public welfare, which legislation, regulation or action limits or otherwise inhibits the amounts of fees, rates and other charges collectible by the City for the use of or otherwise pertaining to, and all services rendered by, the Municipal Utility System.

Subject to the foregoing, the City shall cause all fees, rates and other charges pertaining to the Municipal Utility System to be collected as soon as reasonable and shall provide methods of collection and penalties to the end that the Gross Revenues shall be adequate to meet the requirements hereof.

SECTION 56. ACCOUNTS AND RECORDS. So long as any of the Bonds remain Outstanding, proper accounts and records shall be kept by the City, separate and apart from all other records and accounts, showing complete and correct entries of all transactions relating to the Municipal Utility System and to all moneys pertaining thereto, including, without limitation, the Gross Revenues.

SECTION 57. TAX COVENANT. The City covenants for the benefit of the owners of the Bonds that it will not take any action or omit to take any action with respect to the Bonds, the proceeds thereof, any other funds of the City or any facilities financed with the proceeds of the Bonds if such action or omission (i) would cause the interest on the Bonds to lose its exclusion from gross income for federal income tax purposes under Section 103 of the Tax Code or (ii) would cause interest on the Bonds to lose its exclusion from alternative minimum taxable income as defined in Section 55(b)(2) of the Tax Code except to the extent such interest is required to be included in the adjusted current earnings adjustment applicable to corporations under Section 56 of the Tax Code in calculating corporate alternative minimum taxable income. The foregoing covenant shall remain in full force and effect notwithstanding the payment in full or defeasance of the Bonds until the date on which all obligations of the City in fulfilling the above covenant under the Tax Code have been met.

SECTION 58. DEFEASANCE. When all Bond Requirements of any Bond have been duly paid, the pledge, the lien, and all obligations hereunder as to that Bond shall thereby be discharged and the Bond shall no longer be deemed to be Outstanding

within the meaning of this Ordinance. There shall be deemed to be such due payment when the City has placed in escrow or in trust with a Trust Bank, an amount sufficient (including the known minimum yield available for such purpose from the Federal Securities in which such amount may be initially invested wholly or in part) to meet all Bond Requirements of the Bond, as the same become due to the final maturity of the Bond, or upon any redemption date as of which the City shall have exercised or shall have obligated itself to exercise its prior redemption option by a call of the Bond for payment then. The Federal Securities shall become due before the respective times on which the proceeds thereof shall be needed, in accordance with a schedule established and agreed upon between the City and the Trust Bank at the time of the creation of the escrow or trust, or the Federal Securities shall be subject to redemption at the option of the holders thereof to assure availability as needed to meet the schedule. For the purpose of this section "Federal Securities" shall include only Federal Securities which are not callable for redemption prior to their maturities except at the option of the owner thereof. When such defeasance is accomplished, the Paying Agent shall mail written notice of the defeasance to the registered owner of the Bond at the addresses last shown on the registration records for the Bonds maintained by the Registrar.

SECTION 59. AMENDMENTS. This Ordinance may be amended or supplemented by instruments adopted by the City, without receipt by the City of any additional consideration, but with the written consent of the insurer of the Bonds, if any, or the owners of 66% in aggregate principal amount of the Bonds Outstanding at the time of the adoption of the amendatory or supplemental instrument, excluding Bonds which may then be held or owned for the account of the City, but including such refunding securities as may be issued for the purpose of refunding any of the Bonds if the refunding securities are not owned by the City. No such instrument shall permit:

A. A change in the maturity or in the terms of redemption of the principal or any installment thereof of any Outstanding Bond or any installment of interest thereon;

B. A reduction in the principal amount of any Bond, the rate of interest thereon, without the consent of the owner of the Bond; or

C. A reduction of the principal amount or percentages or otherwise affecting the description of Bonds the consent of the owners of which is required for any modification or amendment; or

D. The establishment of priorities as between Bonds issued and Outstanding under the provisions of this Ordinance; or

E. The modification of, or other action which materially and prejudicially affects the rights or privileges of the owners of less than all of the Bonds then Outstanding.

Whenever the City proposes to amend or modify this Ordinance under the provisions hereof, it shall cause notice of the proposed

amendment to be mailed within 30 days to the State Treasurer of the Bonds, if any, or each registered owner of each registered Bond. The notice shall briefly set forth the nature of the proposed amendment and shall state that a copy of the proposed amendatory instrument is on file in the office of the City Clerk for public inspection.

At any time within one year from the date of such notice there shall be filed in the office of the City Clerk an instrument or instruments executed by the owners of at least 66% in aggregate principal amount of the Bonds then Outstanding, which instrument or instruments shall refer to the proposed amendatory instrument described in the notice and shall specifically consent to and approve the adoption of the instrument; thereupon, but not otherwise, the Council may adopt the amendatory instrument and the instrument shall become effective.

If the owners of at least 66% in aggregate principal amount of the Bonds Outstanding, at the time of the adoption of the amendatory instrument, or the predecessors in title of such owners, shall have consented to and approved the adoption thereof as herein provided, no owner of any Bond, whether or not the owner shall have consented thereto, shall have any right or interest to object to the adoption of the amendatory instrument or to object to any of the terms or provisions therein contained or to the operation thereof or to enjoin the City from taking any action pursuant to the provisions thereof. Any consent given by the insurer of the Bonds, if any, or the holder of a Bond pursuant to the provisions hereof shall be irrevocable.

Bonds authenticated and delivered after the effective date of any action taken as provided in this Section 57 may bear a notation by endorsement or otherwise in form approved by the City as to the action; and if any Bond so authenticated and delivered shall bear such notation, then upon demand of the owner of any Bond Outstanding at such effective date and upon presentation of his Bond, suitable notation shall be made on the Bond as to any such action. If the City so determines, new Bonds so modified as in the opinion of the City to conform to such action shall be prepared, registered and delivered; and upon demand of the owner of any Bond then Outstanding, shall be exchanged without cost to the owner for Bonds then Outstanding upon surrender of such Bonds.

**SECTION 60. REPLACEMENT OF REGISTRAR OR PAYING AGENT.** If the Registrar or Paying Agent initially appointed hereunder shall resign, or if the Council shall reasonably determine that said Registrar or Paying Agent has become incapable of performing its duties hereunder, the Council may, upon notice mailed to each owner of any Bond at his address last shown on the registration records, appoint a successor Registrar or Paying Agent, or both. No resignation or dismissal of the Registrar or Paying Agent may take effect until a successor is appointed. It shall not be required that the same person or institution serve as both Registrar and Paying Agent hereunder, but the City shall have the right to have the same person or institution serve as both Registrar and Paying Agent. Any successor by merger with the Registrar and Paying Agent is automatically appointed as Registrar and Paying Agent hereunder without any further action of the Council, as long as the successor otherwise is qualified to act as Registrar and Paying Agent pursuant to this section. Any bank, trust company or

national banking association into which the Registrar and/or Paying Agent or its successor may be converted, merged or with which it may be consolidated, or to which it may sell or otherwise transfer all or substantially all of its corporate trust business shall be the successor of the Registrar and/or Paying Agent under this Ordinance with the same rights, powers, duties and obligations and subject to the same restrictions, limitations, and liabilities as its predecessor, all without the execution or filing of any papers or any further act on the part of any of the parties hereto, anything herein to the contrary notwithstanding.

SECTION 61. DELEGATED POWERS. The officers of the City are hereby authorized and directed to take all action necessary or appropriate to effectuate the provisions of this Ordinance, including, without limitation:

- A. The printing of the Bond, including, without limitation;
- B. The execution of such certificates as may be reasonably required by the State, relating, inter alia,
  - 1. to the signing of the Bonds,
  - 2. to the tenure and identity of the officials of the City,
  - 3. to the assessed valuation of the taxable property in and the indebtedness of the City,
  - 4. to the rate of taxes levied against the taxable property within the City,
  - 5. the exemption of interest on the Bond from federal income taxation,
  - 6. the delivery of the Bonds and the receipt of the Bond purchase price,
  - 7. the completeness and accuracy of any information provided to the State in connection with the Bonds as of the date of delivery of the Bond, and
  - 8. if it is in accordance with the fact, the absence of litigation, pending or threatened, affecting the validity of the Bond;
- C. The completion and execution of the Certificate of the Officer and the completion, execution and delivery of the Loan Contract by the City Manager or the Chief Financial Officer on behalf of the City; and
- D. The assembly and dissemination of financial and other information concerning the City and the Bond.

SECTION 62. REPEALER. All resolutions and ordinances, bylaws and orders, or parts thereof, inconsistent herewith are hereby repealed to the extent only of such inconsistency. This repealer shall not be construed to revive any resolution, ordinance, bylaw, order, or part thereof, heretofore repealed.

SECTION 63. SEVERABILITY. If any section, paragraph, clause or provision of this Ordinance shall for any reason be held to be invalid or unenforceable, the invalidity or unenforceability of such section, paragraph, clause or provision shall not affect any of the remaining provisions of this Ordinance.

SECTION 64. PUBLICATION OF PROPOSED ORDINANCE.
