**STAFF COMMENTS AND BACKGROUND INFORMATION:**

The City of North Las Vegas has proposed an amendment to the City of North Las Vegas Municipal Code, Title 13, Chapter 13.04 to amend various sections of the Chapter. Specifically, the amendments address the following:

Section 13.04.020 – Water Rates – Billings, deposits, refunds. Paragraph A removes the outdated rate tables referencing 2009 and indicates water rates will be approved by City Council and published on the City’s web site. Paragraph E modifies the Senior Citizen Discount program. The current program requires qualification under the defunct senior citizen property tax relief program. The new program requires qualifications through the Nevada Energy Assistance Program. Paragraph F addresses liens and the recently passed AB8, which gives the Department the ability to place tax liens on parcels with delinquent water and sewer bills. Paragraph K addresses new rules for hydrant meters.

Other miscellaneous changes are being made for housekeeping purposes to make the language more clear.
