

**TAKE A SECOND
PROTECT A CHILD**

Adult Pool Patrol

**I'm wearing this tag to help
protect children from drowning.**

**I agree to supervise children in
and around water.**

**I will not leave the area without
a replacement.**

Pool Patrol Safety Tips

**Never leave children unattended in
or around water. Constant supervision
is key to preventing children drowning.**

**In case of an emergency yell for help,
get the child out of the water, and
dial 9-1-1. If you are trained, begin
CPR and first aid.**

**Keep a telephone, emergency numbers,
and rescue equipment within reach.**

**Water wings and inflatable toys are
NOT flotation devices.**

**Never allow children to wear this tag.
Never swim while wearing this tag.**

**Children drown
without a sound.
Take A Second -
Protect A Child.**

**A pool patrol adult
is not necessarily
certified as a
lifeguard or trained
to perform
emergency rescues.**
