Parent/Guardian may also provide the necessary care. The individual responsible for care must be available to respond to the situation within 30 minutes of the request for service. If your child requires this form of assistance to participate in a program, please call two weeks prior to the start of the program at (702) 633-1608.

## **Inclusion**

The City of North Las Vegas, Recreation Division proudly complies with ADA (The Americans with Disabilities Act) and encourages individuals of all abilities to get involved in their community by participating in all recreation programs and activities. Upon request, the City will make all reasonable accommodations to programs to ensure that people with disabilities have an equal opportunity to enjoy all of the City's programs, services, and activities. Reasonable modifications are provided to enable an individual's participation in a program. If you or your family member requires a reasonable modification to participate in a program, please call two weeks prior to the start of the program at (702) 633-1608. **Individualized Education Plans (IEP) or Behavior Intervention Plan (BIP); are not mandated by law in a recreational setting. There will be every effort made to accommodate all participants in the Safekey Program; however, the Participant Behavior Code of Conduct must be followed to ensure everyone's safety and enjoyment.**

## **Telephone Use**

Telephones at our Safekey sites are intended for business and emergency use only. If you need to contact the Safekey staff at your child's elementary school, please contact the Safekey Office at (702) 633-1608. They will contact the site and relay your message. **Our agreement with the Clark County School District prohibits the distribution of your child's elementary school Safekey Program phone number to participants as it is used by another operation during the school day.** Your cooperation is greatly appreciated.

### **Participation Form/Waiver**

The parent/guardian must fill out a participation form for every child attending the Safekey program annually and a new participation form must be completed for each Camp session. Parents who attempt to use these programs without a completed participation form on file will be contacted and their child will not be accepted. **Only the individual(s) who originally signed the Participant Information Form may make changes. We will not release a child to any person that is not listed on the Participation Form.**

### **Custodial Issues**

The obligation of staff is to ensure a safe environment for your child. We do not have the ability to resolve custody issues or to be mediators. We understand that children may come from a situation where parents are separated, divorced or currently seeking a divorce, these situations result in various custodial arrangements. The City of North Las Vegas is not able to interpret or make rules relating to custody agreements. This is the responsibility of the custodial parties and the City will neither negotiate nor mediate custody arrangements. The City will not be responsible for enforcing time constraints relating to visitation.

If custodial issues are in dispute, causing any uncertainty as to which parent is entitled to pick up the child, the department asks that you refrain from registering the child until such issues are resolved. If such issues arise once a child has been registered in a program, we expect them to be resolved immediately. If the issues are not resolved immediately, the department will consider whether the child may continue to participate in the program.

Any parent or guardian who demonstrates they have any custodial rights to the child may sign the child in or out of the program and may sign the child up for field trips or obtain weekly updates or programmatic emails when applicable. Even if this person did not register the child and even if the information sheet does not list this person as an authorized pickup. Any court orders from one custodial party to specifically remove the custodial rights of the other party must be submitted to City of North Las Vegas prior to the child's participation in the program. Be sure to allow time for paperwork review and a response, if requested. It is our experience that many divorce decrees discuss terms of visitation but often do not specifically remove the custodial rights of the other party. The City does not enforce or mediate terms of visitation.

Our number one concern is the safety of your child. In the case of joint custody, as the parent who registers the child, please fill out one participation form per child and provide the name, address and home, work and emergency telephone number of the other person with custodial rights. The parent who registers the child has the responsibility of distributing a copy of the Safekey Handbook to the other parent. ***It is the responsibility of the parent who registered the child for the program to keep all payments up to date. If the account is left unpaid, the child will not be allowed to participate in Safekey, regardless of which parent is responsible for the balance.***

## **Parent Code of Conduct**

As adults, we serve as role models for the children in our program. If you have a concern, please address your concern in an appropriate calm manner to the Safekey staff or call (702) 633-1608 and request to speak with a supervisor. The City of North Las Vegas has set forth a policy of zero tolerance or workplace violence, physical force, harassment, intimidation, or abuse of power of authority. Should a situation occur within the program, due to inappropriate actions by parents/guardians, causing excessive time spent by Safekey staff, **WE RESERVE THE RIGHT TO REMOVE PARTICIPANTS FROM THE PROGRAM**

## **Nevada Revised Statute Chapter 199 Crimes Against Public Justice**

**NRS 199.300 Intimidating public officer, public employee, juror, referee, arbitrator, appraiser, assessor or similar person.**

1. A person who directly or indirectly, addresses any threat or intimidation to a public officer, public employee, juror, referee, arbitrator, appraiser, assessor or any person authorized by law to hear or determine any controversy or matter, with the intent to induce him, contrary to his duty to do, make, omit or delay any act, decision or determination, shall be punished.

a. Where physical force or the immediate threat of physical force is used in the course of the intimidation or in the making of the threat, by imprisonment in the state prison for not less than one (1) year or more than six (6) years and may be further punished by a fine of \$5,000.

b. Where no physical force or immediate threat of physical force is used in the course of the intimidation or in the making of the threat, for a gross misdemeanor.

2. As used in this section, “public employee” means any person who performs public duties for compensation paid by the state, a county, city, local government or other political subdivision of the state or an agency thereof, including, without limitation, a person who performs a service for compensation pursuant to a contract with the state, county, city, local government or other political subdivision of the state or an agency thereof.

## **Participant Behavior Code of Conduct**

*(Please review this section with your child)*

The City of North Las Vegas has rules governing behavior in order to assure everyone’s safety and enjoyment. Participants are expected to behave at all times. This can be accomplished by them showing respect to all other participants and staff, refrain from using abusive language, from causing bodily harm, or showing disrespect for equipment, supplies and facilities. If inappropriate behavior is displayed, the guidelines are as follows.

The City reserves the right to suspend participants whose behavior endangers the safety of them or others. Parents/guardians are required to follow the “Behavior Code of Conduct” as well, and could be responsible for the suspension or removal of participant.

### **Examples of Inappropriate Behavior that may lead to suspension:**

1. **ABUSIVE LANGUAGE/INAPPROPRIATE GESTURES** - The use of foul or unkind words, and inappropriate gestures toward other participants or staff.
2. **FIGHTING/ASSAULT** - Injuring another participant or staff through inappropriate action.
3. **DISRESPECT OF STAFF** - Talking back or not listening to staff members. Not following directions.
4. **MISUSE OF PROPERTY** - Improper care of equipment or items that belong to the City of North Las Vegas, Clark County School District, or items belonging to other participants.
5. **STEALING** - Removing items from staff, site locations, or participant’s personal belongings without permission.

## **STEPS TAKEN TO CORRECT INAPPROPRIATE BEHAVIOR**

*(The City of North Las Vegas reserves the right to suspend at any time, depending on the severity of the offense.)*

1. **COMMUNICATE APPROPRIATE BEHAVIOR** - A staff member will communicate appropriate behavior to the participant. The participant will be expected to model the appropriate behavior and clearly understand the consequences.
2. **QUIET TIME** - If the inappropriate behavior continues, a staff member will remove the participant from the activity and participant will be placed in Quiet Time (three to five minutes). The participant will always be informed as to why they are in Quiet Time.
3. **WRITTEN REPORT** - If a problem persists, a staff member will document this behavior in writing and review this with the parent/guardian. The written report documents the issues a child is having in the program. Upon completion of the report, both the parent/guardian and staff will sign the report. After three (3) written reports, the child will be suspended pending a parent/staff meeting to discuss the behavior issues. It is the responsibility of the parent/caregiver to call the program supervisor to set up a behavior meeting. A Behavior Plan may be developed by the staff and parent/guardian to document what is expected. The staff member will contact the parent/guardian about the participant's behavior, either by telephone or in person, for a conference to decide if a Behavior Plan needs to be developed. Suspensions may occur while the Behavior Plan is being developed.
4. **BEHAVIOR PLAN** - A Behavior Plan will outline the problem areas and the ways of correcting or positively changing the behavior. This plan will be discussed with the child, parent/guardian, and staff. Each will sign the plan and accept their responsibility as outlined in the Behavior Plan.
5. Guidelines are set up to correct inappropriate behavior. At times, this procedure may not resolve the situation. If inappropriate behavior continues, the participant maybe removed from the program.

## **Suspension Policy – Parent conference required in order to return to the program**

### **1<sup>st</sup> SUSPENSION**

If after steps 1 through 4, the inappropriate behavior continues, the participant will be suspended for one to three program days, depending on the severity of the behavior.

### **2<sup>nd</sup> SUSPENSION**

Should inappropriate behavior continue after the first suspension, the participant may be suspended up to five program days.

### **3<sup>rd</sup> SUSPENSION**

A one year or permanent suspension from the program is handled on an individual basis.

**NOTE:** Depending upon the severity of the situation, a participant may be suspended from the program for one year, or permanently, prior to the first suspension. **NO REFUNDS WILL BE GRANTED FOR SUSPENDED PROGRAM DAYS.**

### **Personal Possessions**
