PROGRAM BASICS:

Safekey is a structured before and after school program for K-5th grade children. Safekey is offered at school sites and provides a variety of activities and social events such as arts and crafts, fitness activities, and physical games that are facilitated by trained staff.

Children may work on homework during the hours of Safekey but we cannot enforce the completion of homework or ensure that it is done correctly. Safekey is a recreation based program, tutoring or homework help is not offered. This is to ensure that children are not misadvised on homework.

Children must be signed in and out **DAILY**. The person who is authorized to pick up your child must be listed on the participation form and they must show proper identification.

Every child must have a new Safekey participation form on file for the 2017-2018 school year.

There is an annual Safekey registration fee of \$10 per school year per child. In addition, an AM/PM. specific pass must be pre-purchased before a child attends Safekey. If your child is absent on the specific day that you purchased, you may transfer the pass. The transfer of a pass must be requested via phone to the main Safekey office at (702) 633-1608 prior to the start of the daily AM/PM session. ***Please see Safekey Parent Handbook, page 4 for additional information.***

A \$10 late pick-up fee is assessed for every 10-minute increment the child stays past the scheduled program time, beginning at 6:01 p.m. The late fee is due at the time of pick up or before the participant returns to the program. ***Please see Safekey Parent Handbook, page 6 for additional information.***
