4/20/15: I issued this permit today to Cleveland Denson even though the signed contract was not verified since Cleveland Denson still has 3 other permit applications pending approval (see ap# 137094, 137096 & 137119). He is aware he will still need to provide signed contract to verify the project valuation for this job and that if contract valuation is more, he is aware there will be a fee balance. lrl
