**City of North Las Vegas
Bid B1520 Graffiti Removal
Addendum No. 1**

The deadline for questions for this proposal was 12:00 p.m., Monday June 19, 2017. The following are the questions that were received and answers to those questions. A copy of this addendum must be signed and returned with your proposal.

Question 1. Should vendors submit their contractor licenses with their proposals or wait for the Bid to be awarded. *Answer:* Please submit them with your proposal.

Question 2. Will the Bid be evaluated by staff? *Answer:* Yes, we will calculate the submitted prices for all vendors, and will check the references, prior work and other factors to determine who the lowest responsive and responsible vendor is.

Question 3. Which carries more evaluation weight, cost or exhibit B? *Answer:* Both are equally important and will be used to determine the responsive and responsible vendor.

Question 4. The Bid the City posted was missing pages 14 and 16. *Answer:* We apologize for the scanning error. Those two pages are attached to the end of this Addendum.

Question 5. Does this Bid cover all the Parks in North Las Vegas? *Answer:* There are 30 parks in the City. This Scope of work includes all parks, including Craig ranch Regional Park.

Question 6. How will we know the color match? *Answer:* The awarded vendor will be provided a list of our approved colors before commencement of work.

Question 7. Will the City be sending work orders for work in the flood channels? *Answer:* Yes

Question 8. Will the vendors have real time photos of graffiti? *Answer:* Yes, the City will provide access to the database to the awarded vendor.

Question 9. Is there a minimum limit per wash? *Answer:* That will be determined by the City Project manager on a case by case basis.

Question 10. Do we need to revisit a minimum per square foot? *Answer:* No, there will never be just one order. You can generate a work order if there is graffiti by taking a picture and sending it to the City Project manager while you are on site.

Question 11. When will we know the color scheme? *Answer:* The City Project Manager will provide the color scheme to the successful respondent, we do not paint signs or playground equipment.

Question 12. Are you looking for a local company with experience? *Answer:* We will evaluate locality and experience as a factor of our overall evaluation, but they are not the only determining factors.

Question 13. Do you look at government experience, or if a vendor has ever been released from a Government contract? *Answer:* We will evaluate government experiences and past performance as a factor of our overall evaluation, but they are not the only determining factors.

Question 14. Can we change Exhibit A to reflect a price per square foot versus a project? *Answer:* Yes, a new exhibit A is attached to this document and in the line items in NGEM
