The successful Respondent further agrees to permit the City or the City's designated representatives to inspect and audit, as deemed necessary, all records of this project relating to finances, as well as other records including performance records that may be required by relevant directives of funding sources of the City.
- (c) If, at any time during the term of this Bid, or at any time after the expiration or termination of the Bid, the City or the City's designated representative(s) finds the dollar liability is less than payments made by the City to the successful Respondent, the successful Respondent agrees that the difference shall be either: (i) repaid immediately by the successful Respondent to the City or (ii) at the City's option, credited against any future billings due the successful respondent.

- (d) The successful Respondent must assert its right to an adjustment under this clause within 30 days from the date of receipt of the written order; however, if the City decides that the facts justify, the City may receive and act upon an invoice submitted before final payment of the Bid.

The successful Respondent is solely responsible for the supervision and control of its staff performing work under the Contract; however, the City reserves the right to request removal from its premises the successful Respondent's "on site" staff personnel for just cause, and the successful Respondent shall take reasonable action to comply with the request. Upon award of the Contract, a listing of all personnel authorized to participate in the awarded program shall be submitted and included as part of the executed agreement. The successful Respondent (and employees performing work) may be required to go through a City Background check which can be coordinated with the City's HR department if the successful Respondent will be performing work on City Property or have access to the City's network or data. 8.4. Partial Invalidity. If any term of this Agreement should be held by a court of competent jurisdiction to be invalid, void or unenforceable, all provisions not held invalid, void or unenforceable, shall continue in full force and effect.

8.5. Controlling Agreement. To the extent any of the terms or provisions in the [Bid] conflict with this Agreement, the terms and provisions of this Agreement shall govern and control. Any additional, different or conflicting terms or provisions contained in Provider's [Bid] or any other written or oral communication from Provider shall not be binding in any way on the CITY whether or not such terms would materially alter this Agreement, and the CITY hereby objects thereto.

8.6. Attorneys' Fees. In the event any action is commenced by either party against the other in connection with this Agreement, the prevailing party shall be entitled to its costs and expenses, including reasonable attorneys' fees, as determined by the court, including without limitation, fees for the services of the City Attorney's Office. This Section 8.6 shall survive the completion of this Agreement until the applicable statutes of limitation expire.

Shipments rejected due to Provider error will be returned solely at Provider's cost.

8.10. Inspection. An authorized representative of the City will inspect the Products at time of delivery. If deficiencies are detected, the Products may be rejected and the Provider will be required to make necessary repairs, corrections, or replacements. Payment and/or commencement of a discount period will not be made until the corrective action is made, the Products are re-inspected and accepted.

8.11. Further Assurances. The Provider shall execute and deliver all such documents and perform such acts as are reasonably requested by the City to complete its obligations under this Agreement.

8.12. Effect of Agreement Termination. In the event this Agreement is terminated, all rights and obligations of the parties hereunder shall cease, other than indemnity obligations and matters that by their terms survive the termination hereof.

8.13. Fiscal Funding Out. The City reasonably believes that sufficient funds can be obtained to make all payments during the term of this Agreement. Pursuant to NRS Chapter 354, if the City does not allocate funds to continue the function performed by the Provider under this Agreement, this Agreement will be terminated when appropriated funds expire.

8.14. Public Record. The City shall not be liable in any way to the Provider for the disclosure of any public record, including but not limited to documents provided to the City by the Provider. In the event the City is required to defend an action with regard to a public records request for documents submitted by the Provider, the Provider agrees to indemnify, hold harmless, and defend the City from all damages, costs, and expenses, including court costs and reasonable attorney's fees related to such public records request. This section 8.14 shall survive the expiration or early termination of the Agreement.

8.15. Electronic Signatures. For purposes of this Agreement, the use of facsimile, email or other electronic medium shall have the same force and effect as original signatures.
