All City approvals are intended only to provide the City the right

to satisfy itself with the quality of the Services performed by Provider. The City acknowledges and agrees that Provider retains the right to contract with other persons in the course and operation of Provider's business and this Agreement does not restrict Provider's ability to so contract.

The City may require each employee, agent, or subcontractor of Provider having access to City personnel, data, information, personal property, or real property to submit to a background check performed by the City's Police Department ("Background Check"), and each employee, agent, or subcontractor must satisfactorily pass the Background Check, as determined by the City in its sole discretion, before or at any time during the performance of any of the Services under this Agreement.
