**CITY OF NORTH LAS VEGAS INVITATION TO BID  
BID B-1667 Utility Crew Truck with Crane**

**1. PUBLIC RECORDS:**

The Bid documents and all Bids submitted in response thereto are public records. You are cautioned not to put any material into the Bid that is proprietary in nature. The City is a public agency as defined by state law. As such, it is subject to the Nevada Public Records Law (Chapter 239 of the Nevada Revised Statutes). The City's Records are public records, which are subject to inspection and copying by any person, unless declared by law to be confidential.

**2. PERFORMANCE OF WORK:**

The selected Respondent shall perform all work as may be necessary to complete the Contract in a satisfactory and acceptable manner, and unless otherwise provided, shall furnish all transportation, materials, equipment, labor and incidentals necessary to complete the project.

**3. FORM OF CONTRACT:**

Execution of the Contract by all named parties will authorize delivery of goods obtained under this Invitation to Bid.

**4. ELECTRONIC BID THROUGH NGEM SYSTEM:**

Bids must be submitted online through the Nevada Government eMarketplace (NGEM). The NGEM System is an electronic bidding system used by a consortium of local government entities in Nevada for supplier registration and the submission of electronic bids and proposals. The NGEM System is available at [www.ngemnvt.com](http://www.ngemnvt.com). There is no cost for any Respondent to use the NGEM System, however, all Respondents must register prior to gaining access to see the details of any solicitation and to submit a bid or proposal online. All Bids must be submitted on the NGEM System no later than the Bid Due Date and time. Per the Terms of Use of the NGEM System, Bids may not be submitted after the Bid Due Date, and the server clock will govern.

**5. EXPLANATION TO RESPONDENT:**

Any explanations desired by Respondent regarding the meaning or interpretation of specifications must be requested in writing and with sufficient time allowed for a reply to reach Respondent before submission of their Bid. Oral explanations given before the award of the contract will not be binding. Any written interpretation made will be furnished to all Respondents and its receipt by the Respondent will be acknowledged. Interpretation of the meaning of the plans, specifications, or other pre-Bid documents will not be binding if presented to any Respondent orally. Every request for such interpretation should be in writing addressed to Joy Yoshida, Buyer at [yoshidaj@cityofnorthlasvegas.com](mailto:yoshidaj@cityofnorthlasvegas.com). Any and all such interpretations and any supplemental instructions deemed necessary will be in the form of a written addendum to the specifications which, if issued, will be posted on NGEM. Failure of any Respondent to receive any such addendum or interpretation shall not relieve such Respondent from any obligation under these Bid documents as submitted. All addenda issued shall become part of the Bid documents.

**6. METHOD OF EVALUATION AND AWARD OPTIONS:**

The evaluation of this Bid will be conducted by City personnel. The City will award this Bid to the Respondent(s) that submits the lowest responsive and responsible Bid deemed to be in the City's best interest. The City reserves the right to reject all Bids. Pursuant to NRS 332.065(4), the City shall not enter into a contract with a Respondent to this Bid unless the contract includes the written certification that the company is not currently engaged in, and agrees for the duration of the contract not to engage in, a boycott of Israel.

7. **ASSIGNMENT OF CONTRACTUAL RIGHTS:**

It is agreed that the Contract must not be assigned, transferred, conveyed, or otherwise disposed of by either party in any manner, unless approved in writing by the other party or unless otherwise allowed pursuant to NRS 332.095(2). The Respondent will be an independent contractor for all purposes and no agency, either expressed or implied, exists.

8. **CONDITIONS OF BID SUBMITTAL:**

- (a) The Bid must be signed by a duly authorized official of the proposing firm or company submitting the Bid.
- (b) No Bid will be accepted from any person, firm, or corporation that is in arrears for any obligation to the City, or that otherwise may be deemed irresponsible or unresponsive by City staff or City Council.
- (c) No Bid will be accepted from any person, firm, or corporation if that person, firm, or corporation or any of its principals are debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from transactions with any federal or state department or agency. By signing and submitting a Bid to the City, the Respondent certifies that no current suspension or debarment exists.
- (d) All Bids shall be prepared in a comprehensive manner as to content, but no necessity exists for expensive binders or promotional material.

9. **BID PROTESTS:**

The City will publish the Recommendation of Award Notification on NGEM. . Any Respondent may file a notice of protest regarding the proposed award of the Contract by the North Las Vegas City Council. Respondents will have five (5) business days from the date the Recommendation of Award is published to submit the written protest to the City Clerk. The written protest must include a statement setting forth, with specificity, the reasons the person filing the protest believes that applicable provisions of the Bid documents or law were violated. At the time a notice of protest is filed, the person filing such notice of protest shall post a bond with a good and solvent surety authorized to do business in the State of Nevada, and supply it to the City Clerk. The bond posted must be in an amount equal to the lesser of: (i) twenty-five percent (25%) of the total value of the Bid submitted by the person filing the notice of protest; or (ii) two hundred fifty thousand dollars (\$250,000).

A notice of protest filed in accordance with this section shall operate as a stay of action in relation to the award of the Contract until a determination is made by the North Las Vegas City Council. A person who makes an unsuccessful Bid may not seek any type of judicial intervention until after the North Las Vegas City Council has made a determination on the notice of protest and awarded the contract. Neither the City nor any authorized representative of the City is liable for any costs, expenses, attorney's fees, loss of income, or other damages sustained by a person who submits a Bid, whether or not the person files a notice of protest pursuant to this section.

If a protest is upheld, the bond posted and submitted with the notice of protest will be returned to the person who posted the bond. If the protest is rejected, a claim may be made against the bond by the City in an amount equal to the expenses incurred by the City because of the unsuccessful protest.

10. **LICENSES:**

All Respondents must provide a copy of all appropriate licenses in accordance with the laws of the State of Nevada, prior to submission of Bids for this project. Upon award, the successful Respondent will be required to obtain a North Las Vegas Business License.

11. **PUBLIC OPENING:**

Bids received will be opened and the name of the Respondent's company will be read via conference call at the time and place indicated in the Bid documents. Respondents, their authorized

agents, and the public are invited to call in. No responsibility will attach to any City official or employee for the pre-opening of, or the failure to open, a Bid not properly addressed or identified.

**12. TERM OF THE CONTRACT:**

The Contract shall have a term of until Utility Crane Truck has been delivered to the City.

**13. INSURANCE:**

Provider shall obtain and maintain, at its expense, the following insurance coverage for all work related to the performance of this Purchase Agreement: commercial general liability insurance, automobile liability insurance, worker's compensation insurance; and employers' liability insurance.

**14. INDEMNITY:**

The successful Respondent agrees to defend, indemnify, and hold the City, its officers, agents, and employees, harmless from any and all liabilities, causes of action, claims, damages, losses, expenses, proceedings, actions, judgements, reasonable attorneys' fees, and court costs which the City suffers or its officers, agents, or employees suffer, as a result of, or arising out of, the negligent or intentional acts or omissions of Respondent, its subcontractors, agents, and employees, in the fulfillment or performance of the work described herein until such time as the applicable statutes of limitation expire.

**15. PROVISIONS PROVIDED BY LAW:**

Each and every provision and clause required by law to be inserted in the Contract shall be read and enforced as though it were included herein, and if through mistake or otherwise any such provision is not inserted, or is not correctly inserted, then upon the application of either party the Contract forthwith shall be physically amended to make such insertion or correction. The Respondent's attention is directed to the fact that all applicable city, county, state, and federal laws, and the rules and regulations of all authorities having jurisdiction over the project shall apply to the Contract throughout its duration and such laws, rules, and regulations will be deemed to be included in the Contract the same as though they had been written out in full herein.

**16. ADDENDA INTERPRETATIONS:**

If it becomes necessary to revise any part of this Bid, a written or electronic addendum will be provided publicly. The City is not bound by any oral clarifications changing the scope of work for this project.

**17. CANCELLATION OF CONTRACT:**

The City reserves the right to cancel the award or execution of any contract at any time before the Contract has been approved by the City Council without any liability or claims thereof against the City.

**18. TERMINATION FOR CONVENIENCE:**

The City shall have the right at any time to terminate further performance of the Contract, in whole or in part, for any reason whatsoever (including no reason). Such termination shall be effected by written notice from the City to the Respondent, specifying the extent and effective date of the termination. On the effective date of the termination, the successful Respondent shall terminate all work and take all reasonable actions to mitigate expenses. The successful Respondent shall submit a written request for incurred costs for services performed through the date of termination within 30 days of the date of termination. All requests for reimbursement of incurred costs shall include substantiating documentation requested by the City. In the event of such termination, the City agrees to pay the successful Respondent, thirty days after receipt of a correct, adequately documented written request. The City's sole liability under this Paragraph is for payment of the costs for the services requested by the City and actually performed by the successful Respondent.

19. **TAXES:**  
The City is exempt from state, retail, and federal excise taxes. The Bid price must be net, exclusive of taxes.
20. **EXCEPTIONS:**  
Each Respondent must list on a separate document any exceptions to specifications and attach it to their Bid. Exceptions, deviations, or contingencies requested in Respondent's bid response, while possibly necessary in the view of the Respondent, may result in lower scoring or disqualification of a Bid response. **A template of the City of North Las Vegas Purchase Agreement is attached in Exhibit F. Any and all exceptions to this document must be declared at the time of submission.**
21. **FISCAL FUNDING OUT:**  
In the event the City fails to appropriate funds for the performance of the Contract, the Contract will terminate once the existing funds have been exhausted.
22. **LIMITATION OF FUNDING:**  
The City reserves the right to reduce estimated or actual quantities, in whatever amount necessary, without prejudice or liability to the City, if funding is not available or if legal restrictions are placed upon the expenditure of monies for the services required under the Contract.
23. **ESCALATION:**  
Prices may not be increased during the term of the Contract.
24. **AUDIT OF RECORDS:**
- (a) The successful Respondent agrees to maintain financial records pertaining to all matters relative to this Bid in accordance with standard accounting principles and procedures and to retain all records and supporting documentation applicable to this Bid for a period of three (3) years after completion of this Bid and any subsequent extensions thereof. All records subject to audit findings shall be retained for three (3) years after such findings have been resolved. In the event the successful Respondent goes out of existence, the successful Respondent shall turn over to the City all of its records relating to this Bid. The successful Respondent agrees to give the City access to records immediately upon request.
  - (b) The successful Respondent agrees to permit the City or the City's designated representative(s) to inspect and audit its records and books relative to this Bid at any time during normal business hours and under reasonable circumstances and to copy and/or transcribe any information concerning successful Respondent's operation hereunder, at the City's discretion. The successful Respondent further understands and agrees that said inspection and audit would be exercised upon written notice. If the successful Respondent or its records and books are not located within Clark County, Nevada, and in the event of an inspection and audit, successful Respondent agrees to deliver the records and books or have the records and books delivered to the City or the City's designated representative(s) at an address within the City as designated by the City. If the City or the City's designated representative(s) finds that the records and books delivered by the successful Respondent are incomplete, the successful Respondent agrees to pay the City's or the City's representative(s)' costs to travel (including travel, lodging, meals, and other related expenses) to the successful Respondent's offices to inspect, audit, retrieve, copy and/or transcribe the complete records and books. The successful Respondent further agrees to permit the City or the City's designated representatives to inspect and audit, as deemed necessary, all records of this project relating to finances, as well as other records including performance records that may be required by relevant directives of funding sources of the City.

- (c) If, at any time during the term of this Bid, or at any time after the expiration or termination of the Bid, the City or the City's designated representative(s) finds the dollar liability is less than payments made by the City to the successful Respondent, the successful Respondent agrees that the difference shall be either: (i) repaid immediately by the successful Respondent to the City or (ii) at the City's option, credited against any future billings due the successful respondent.
- (d) The successful Respondent must assert its right to an adjustment under this clause within 30 days from the date of receipt of the written order; however, if the City decides that the facts justify, the City may receive and act upon an invoice submitted before final payment of the Bid.
- (e) The successful Respondent shall provide current, complete, and accurate documentation to the City in support of any equitable adjustment. Failure to provide adequate documentation, within a reasonable time after a request from the City will be deemed a waiver of the successful respondent's right to dispute.

**25. INDEPENDENT CONTRACTOR:**

In the performance of services under the Contract, the successful Respondent and any other persons employed by it shall be deemed to be an independent contractor and not an agent or employee of the City. The City shall hold the successful respondent company ("Company") as the sole responsible party for the performance of the Contract. The Respondent shall maintain complete control over its employees. Nothing contained in this Invitation to Bid, the Contract, or awarded by the City shall create a partnership, joint venture, or agency. Neither party shall have the right to obligate or bind the other party in any manner to any third party. The Contract may not be subcontracted.

**26. COMPANY PERSONNEL:**

The successful Respondent is solely responsible for the supervision and control of its staff performing work under the Contract; however, the City reserves the right to request removal from its premises the successful Respondent's "on site" staff personnel for just cause, and the successful Respondent shall take reasonable action to comply with the request. Upon award of the Contract, a listing of all personnel authorized to participate in the awarded program shall be submitted and included as part of the executed agreement. The successful Respondent (and employees performing work) may be required to go through a City Background check which can be coordinated with the City's HR department if the successful Respondent will be performing work on City Property or have access to the City's network or data. Successful Respondent shall be notified during the contract phase what background check requirements apply to the contract.

- Manuals are to be delivered with the vehicle in binders. Binders shall be tabbed and organized by the system.
- Electrical and hydraulic schematics must be supplied for all auxiliary equipment to include interface to chassis. Handwritten schematics will not be accepted.

SPECIFICATION NO. 15

STEERING

- Power assist.

SPECIFICATION NO. 16

SPECIAL EQUIPMENT

UTILITY BODY

- Stellar TMax 2-11' Crane Body (or equal): 133" long x 94" wide x 60" high side bins: Right side body compartments to be raised to 60" high to accommodate full size oxygen/acetylene bottles. 22" deep compartments. Left side body compartments to be raised 60" high full length. Body to have a minimum rating to accept a 77,800 ft-lb crane. Body to have a standard right rear integrated crane compartment. 21" deep work bench bumper with through compartment and hitch insert. 12" fold down tailgate with latch hardware. Body to include reinforcement for hydraulic crane. Non-factory reinforcement kits are not acceptable. Primed, painted and undercoated. (Measurements are approximate) Compartment key locks to be cylinder type.
- The understructure shall be constructed to form a torsion box design. The rear tubing cross-members shall be attached to the reinforced crane compartment and utilize the torsion box design for unitized load distribution to prevent distortion of the truck and chassis frame. The rear outrigger shall be an integral part of the torsion box construction and shall be attached with 1/4" gussets longitudinally.
- The cargo deck shall be constructed of 1/8" thick tread plate and shall be welded solid to the compartments. The cargo space between the compartments shall be 50" wide and there shall be no wheel well protruding into the cargo deck area.
- The doors on the body shall be constructed of aluminum. Each door will utilize stainless steel hinges, with T-handled, powder-coated, cast steel latches with common keys, and automotive extruded bulb type weather stripping. All doors shall be equipped double spring over center door closures on all vertical doors. Additional door bumpers to be utilized to keep doors from contacting against each other when fully opened against back sides.
- All compartments shall be constructed of galvanized steel. The compartment side packs shall be constructed of a combination of 12 and 14 gauge galvanized steel with 10 gauge galvanized smooth steel tops and 1/8" thick treadplate backs. Each side pack shall incorporate an integral outside rain eave. All compartments shall be made weather resistant by caulking all seams with a polyurethane sealant. There shall be (2) grab handles provided at the rear of the body to assist in accessing the load bed. (1) per side.
- The electrical system must consist of a central power distribution point in the crane box using automotive-style harnesses. The circuits shall use white wire with the circuit function printed every three inches. The harness shall be protected by an overbraid that is heat and cut resistant. Central power distribution wired to a master power switch in the cab. Master power switch shall have a red indicator light.

- The right front vertical compartment (RV1) to be 60" H x 35" W x 22" D. RV1 shall be vented for oxygen-acetylene bottle storage. Equipped with:
  - (2) bottle oxy/acetylene bottle holder with metal retainer (nylon strap unacceptable) installed opposite the drawer unit mounted onto pull out tray.
  - ReelCraft p/n TW 7450 (no sub) ¼" x 50' spring rewind oxy/acetylene hose reel installed to the ceiling of the compartment with tap blocks, no holes through body. Reel shall be recessed into compartment to allow for storage of full height oxy/acetylene bottles.
  - Drop down pipe support bracket mounted on RF corner of body
  - Poly spacer
  - Stainless steel hardware
  - Powder coated white
  - (1) Boise Metal works P/N BMW02201201 (or equal) spray can/ torch tip trays installed on the inside of the compartment rear door.
  - CTE HD Steel 182216 (no sub) heavy duty (8) drawer unit. The drawer unit shall consist of (1) 7" (2)-5", (5)-3" with 250 lbs slides and rubber pads in each drawer. The drawer unit will be installed into the compartment floor. Drawers to have standard divider kits.
  - (1) full width fixed shelf on top of the drawer unit
  
- The second right side vertical compartment (RV2) shall have a single door. The compartment shall be 60"H x 35"W x 22" D. Equipped with:
  - Full width adjustable shelf.
  - Vanair Control Center to be mounted in compartment.
  
- The right side horizontal compartment (RH) shall have overlapping double doors. The compartment shall be 24"H x 51"W x 22" D. Equipped with:
  - (1) adjustable shelf
  - CTE HD Steel 181635 (no sub) heavy duty (8) drawer unit. The drawer unit shall consist of (5)-3" with 250 lbs slides and rubber pads in each drawer. The drawer unit will be installed into the compartment floor. Drawers to have standard divider kits.
  - (1) full width fixed shelf on top of the drawer unit.
  - Aims 3600 watt modified sine wave inverter P/N 360012120w (No Sub) with on/off remote P/N RC300 (No Sub). Inverter to be installed using 4/0 cable with a 35 amp fuse. Install the inverter fuse into the positive lead. Fuse should be located within 12" of battery. Install 3/4" strain relief fitting where cable enters compartment. Install remote on/off switch in cab on dash wired to only turn on inverter when ignition key is in run position.
  - Electrical power strip installed, includes (6) 110V outlet plugs and built in surge protection.
  - Pull-out work platform installed to compartment floor. Emberton p/n 180443 (no sub).
  
- The right rear compartment (RR) shall be constructed from one-piece 3/16" steel sides and a ¾" steel top with reinforcing vertical plates welded perpendicular to the top plate. This compartment shall be structurally connected to the torsion box sub-frame and the outrigger housing support members. The compartment shall incorporate a drip pan that routes any water that may enter through the crane mounting area, out of the compartment. This compartment shall have a single, forward swinging door, which shall incorporate crane control storage. The crane compartment must be an integral part of the body and shall be 60"H x 27"W x 22" D. Equipped with:
  - Radio transmitter storage cradle.
  - Air hose reel (see spec 20).
  - 5 Gallon Water cask mounted on slide out. Emberton p/n EMB160315 (no sub).
  
- The left front vertical compartment (LV1F) shall have a single door. The compartment shall be 60"H x 35"W x 22" deep. Equipped with:
  - (4) adjustable shelves

- LED strip lights
  - Floor to be reinforced with 1/8" Steel diamond plate on floor.
- The second left side vertical compartment (LV1R) shall have a single door. The compartment shall be 60"H x 35" W x 22" D nominal. Equipped with:
    - CTE HD Steel 183516 (no sub) heavy duty (8) drawer unit. The drawer unit shall consist of (1) 7" (2)-5", (5)-3" with 250 lbs slides and rubber pads in each drawer. The drawer unit will be installed into the compartment floor. Drawers to have standard divider kits.
    - (1) full width fixed top shelf above drawer unit.
    - (4) torch tip/spray can tray BMW P/N 10210220 (No Sub) mounted to compartment doors.
  - The left side horizontal compartment (LH) shall have overlapping double doors. The compartment shall be 24"H x 51"W x 22"D nominal. Equipped with:
    - (1) adjustable shelf
    - CTE HD Steel 181635 (no sub) heavy duty (5) drawer unit. The drawer unit shall consist of (5)-3" with 250 lbs slides and rubber pads in each drawer. The drawer unit will be installed into the compartment floor. Drawers to have standard divider kits.
    - (1) full width fixed shelf on top of the drawer unit
    - Pull-out work platform installed to compartment floor. Emberton p/n 180443 (no sub)
    - LED strip lights.
  - The left rear vertical compartment (LR) shall have a single door. The compartment shall be 60"H x 22"D x 27"W nominal. Equipped with:
    - 1" x 50' air hose reel
    - Safety valve.
    - 1/2" x 25' twin line hydraulic hose reel.
    - LED strip lights.
    - 1/2" x 25' twin line hose extensions.
    - Flow control for hydraulic tool circuit.
  - Maxxima LED strip lighting (No Sub) shall be installed in all compartments on the top and the sides. Lighting to be installed with angled aluminum strips and dip clamps. Two-sided tape will not be accepted. Controlled by switch panel in RR compartment \*\*Not to be mounted in compartments with tanks (RV1).
  - Install LED Go Light (no sub), on the corner on the curbside front of the body. On the front of body location use mounting plate p/n BMW09261204 (or equal).
  - (2) Chock holders installed CS side in fender wells. Provide (2) wheel chocks.
  - (2) 110v GFI electric outlets as follows:
    - (1) C/S rear of body wired to inverter
    - (1) at the base of the laptop stand wired to inverter

**SPECIFICATION NO. 17**

**CARGO AREA**

- Jobox 48" Heavy Duty Steel Storage Chest installed as follows:
  - Mounted in cargo area by hydraulic tank without legs
  - 48"W x 24"D x 27"H
- Heavy duty cab protector BMW P/N 20213240 (No Sub). Cab protector must be welded in place and seam sealer applied to joints before paint.

- Open top storage box p/n BMW09261202 (or equal) installed on the street side compartment top). Expanded metal on inside wall both ends solid. Box to be stitch welded in place and seam sealed before painted. 11' of E-Track mounted outside inner wall (length of body) w/ (8) 6" swivel hooks. Open chute storage door to be utilized on rear end of box with spring assist quiet latch with chain.
- Curb-side block storage compartment Boise Metal Works p/n BMW10090601R3 (or equal) installed on the compartment top behind hydraulic oil cooler and ending before the crane. Rubber pad installed on the floor. Weld on with drains to the cargo area.
- (8) Boise Metal Works swivel hooks BMW11041301 (or equal) installed to E-Track on the ladder storage box. Constructed of ½" rods with 4" throw. E-Track to run full length of ladder storage and be stitch welded and seam sealed before paint.
- Shovel holders and (2) D rings to be mounted on top of SS compartment in towards rear open area.
- Gas tamper/air hammer and jackhammer storage installed:
  - Mounted on SS rear of body to electric/hydraulic outrigger with tube cap on top
  - Plates to match specific equipment utilized by the city (See drawings for reference)
- Step bolt on hand rail installed on rear of body as follows:
  - Powder coated Yellow
  - Installed with stainless steel hardware
- 15 Ton Capacity Pintle Hook
- E-Track installed in Cargo Area as follows.
  - (1) 11' rows of E-track on CS wall. (1) at top of compartment and (1) ½ way to floor.
  - (8) ½" x 6" locking hooks on e-track
  - (2) 11' rows of E-track on SS wall. (1) at top of compartment and (1) ½ way to floor.
  - (8) ½" x 4" locking hooks on e-track

##### WORKBENCH

- Boise Metal Works p/n BMW11071302 (no sub) rear bumper storage compartment installed. 3/8" X10 steel plate lid and end plates with 2" clamping lip. Locking hidden hinged lid. Lock pin accessible through curbside bumper compartment side door. Safety prop rod for bumper lid to be included in design. Cross bars installed at the bumper through compartment ends. Grip tape installed on bumper top.
- Install a hydraulic lift platform for a ground tamper that is 16" x 20" and has a 500 lbs capacity. Also, to include Jackhammer holder. The tamper platform must lower to ground level using an electric over hydraulic cylinder with controls in the LR compartment. The platform must be able to stow in a fixed position with a quick release locking pin. To include locking storage, stand for hydraulic breaker. Tamper & jackhammer lift holder rods to use lock pins in lieu of cotter pins. CS vise hitch pin to use lock pin as well. The saddle arm to be applied with black Speed liner. **3D drawings of lift platform are required within two weeks of award of bid.**
- Boise Metal Works pull out step p/n BMW07080901 (no sub) installed on the street side and curb side of the rear bumper & Speed liner black.
- O'Reilly 12v quick plug (77341102427) installed:
  - Mounted on SS rear of body

- (2) 12v outlets
- 110 V GFI
- Install 6 ½” Wilton Trade-master p/n 1765 vise (or equal) on the curbside corner of the bumper with adjustable vise mount, p/n CTE17181920 (no subs)
- Ridgid (1VUV9) pipe vise installed on removable vise mount
  - Locking pin
  - Powder coat red with adjustable vise mount, p/n CTE17181921 (no subs)
- Install hand rail on curbside of workbench bumper for cargo area access (see illustration).
- Vise mount slots to be located in 3 locations on workbench bumper for accessibility.

SPECIFICATION NO. 19  
HYDRAULIC CRANE

- Electric crane shall be a Stellar 12621 (or equal) mounted on the curb side of the mechanics body and have a maximum lifting capacity of 12,000 lb and 3,140 lb at 21 ft. with a rating of 77,800 ft-lb.
- The extension boom shall consist of two telescoping booms which shall telescope hydraulically and manually to 21’.
- The horizontal reach from centerline of rotation shall not be less than 21’
- Lifting height from crane mounting surface shall be no less than 23’.
- The crane boom support shall be non adjustable mounted to the service body on a reinforcement plate to protect the body from distortion, welded and sealed. Crane to set as close to horizontal as possible. No holes in the compartment top.
- Crane functions shall be proportional with manual override. Fully functional FM remote control pendant. A FM bypass cable must be provided.
- Transmission driven hot shift PTO with direct mount tandem section hydraulic pump to provide a minimum of 10gpm @ 3,000 psi to crane and tool circuit. **Pumps will need to be sized at approximately 12gpm to allow for hydraulic fan operation at the Hydrapak.** The PTO shall not engage while the transmission is in gear.
- Hydraulic system to be equipped with a Hydrapak MH3T hydraulic drive cooling system mounted to the front cargo area. Shut-off ball valves must be included to aid in filter replacement. O-ring or JIC fittings on tank, no pipe thread accepted. System must be capable of operating in extremely hot weather 120 degree (F) plus for extended periods of time.
- 17-gallon hydraulic tank, Boise Metal Works Part# BMW06151103 (or equal) installed against the bulkhead of the body using a 2” non-vented filler cap and a 5 micron breather filter. Tank to be powder coated white to match body. MH3 T and tank combination must be installed as per manufacturer recommendations.
- Hydraulic system shall be equipped with a 40 GPM, 10 micron return filter.
- All hydraulic/hose fittings shall be JIC or O-ring. No pipe thread allowed.

- Engine start function shall not operate unless transmission is in neutral and parking brake is set.
- Engine shall be equipped with an electronic variable idle speed control.
- Single line speed to be at a minimum of 60 fpm.
- Crane shall be equipped with automatic overload protection.
- The lift side of cylinders must be equipped with counter balance valves to prevent sudden cylinder collapse in case of hose or other hydraulic failure.
- The crane shall have no less than 400 degrees of power rotation.
- Rear hydraulic out/in; up/down outriggers installed. Outrigger control panel located in RR compartment. Hydraulic outrigger functions operated with electric over hydraulic rocker switches.
- Anti-two block prevention
- Buzzer/light indicator for radio remote transmitter installed. Buzzer/light will be activated whenever radio remote transmitter is not plugged into socket in crane compartment or an emergency brake is released.
- Must meet OSHA 1910.180 requirements and ANSI B30.5 safety standards
- Certified crane inspection must be provided upon truck delivery.

#### COMPRESSOR/GENERATOR

- Vanair Genair Under-Deck 125 CFM @ 150 psi air compressor (no sub), shaft driven with integral 7.2 kw generator.
- Hot shift PTO with control switch audio alarm and indicator light in a clear forward view of the driver.
- 2.5 inch 1310 series driveline with universal joints, yoke and companion flange.
- Compressed air plumbed to the pneumatic service reel located in RR compartment. There shall be shut off valve for the hose reel and a storage coupler for the hose end.
- A filter/luber/regulator is to be installed in the RR compartment with a synflex hose plumbed through the floor to drain the filter.
- Vanair V-Tec Total Electronic Control and Diagnostic System installed.
- Vanair Genair control panel with hertz meter for (4) 110v socket and (1) 230v socket built-in installed in RV2 compartment. To include one additional 20amp breaker for A/C cord reel.
- 22 gallon frame mount air tank installed between frame rails under rear bumper. Tank to be plumbed to compressor with 500psi stainless steel reinforced hose.
- Aluminum air distribution block, Custom Fluid Power P/N MANIFOLD (or equal) installed at the rear of the body on the curb side with 3 ports to be plumbed directly to air tank for unregulated air supply.
- Compressor system must be equipped with an automatic blow-down valve.

- Sight glass to include 90-degree fitting for visibility from curbside.
- Air Drain valve kit to be installed underneath body not to protrude beyond the body sides. P/N CTE16079102.
- Bidder must be an authorized distributor for Vanair products and be able to provide proper installation, warranty, repairs and maintenance on entire Vanair system.

**SPECIFICATION NO. 21**

**HYDRAULIC TOOL CIRCUIT**

- Open-center hydraulic tool circuit system
- Provide, install, and plumb a Reel-craft Reel model TH88000 OMP (no sub). Reel to be equipped with 50 ft of Gates Twin Line, Part# 8CM2T-MP 3500 psi hydraulic hose with quick disconnect Weatherhead #FF495-4 and #ff491-4 fittings. Hydraulic service reel to be supplied hydraulic fluid at 10GPM at 2,500 PSI by the PTO hydraulic pump. Tool circuit to be controlled by electric over hydraulic control valve. Reel to be mounted to ceiling of RV1 compartment using pre-tapped mounting plate. No holes through body. Include nozzle drip tube for storing tool circuit hose connections.
- Hydraulic system to utilize the same tank and filter system used for the crane.
- All hydraulic hoses shall be properly anchored and protected at chafing points.
- All hydraulic/hose fittings shall be JIC. Or O-ring. No pipe thread allowed.
- All components such as compressor hose reels and lights shall be mounted and installed per/to manufacturer recommendations.
- Crane, compressor, generator and hydraulic tool circuit must be able to operate simultaneously and efficiently at the same engine RPM not to exceed 1,400. Remote engine start and high idle function shall not operate unless transmission is in neutral and parking brake is engaged. Generator to have 60hz output. (Note: Compressor will operate at approximately 125 CFM when all functions are in operation).
- Hydraulic system shall have adequate capacity and cooling to prevent overheating when operating at high temperatures 120 degrees plus for extended periods of time.
- Transmission shall auto-neutral when PTO's are engaged. Auto neutral over ride switch will not be accepted.

**SPECIFICATION NO. 22**

**WARRANTY**

- Chassis:
  - Standard dealer warranty plus extended 5 yr./100,000 mile power train and 5,000 engine hour warranty (MAXIMUM \$100.00 DEDUCTIBLE) Warranty begins when vehicle is put into service by City of North Las Vegas.
- Compressor:
  - Under deck shaft driven rotary screw air compressor/generator to have a life time warranty on the air end when adhering to prescribed maintenance schedules.
  - All other parts including the compressor unit shaft seal & generator are warranted for (12) months.

- Body & Crane:
  - A 36-month warranty on body, and crane to cover 3 years labor and workmanship, 3 years original and replacement parts, three years original crane structural parts, five years body rust-through coverage. Written warranty to be included with bid.
- Paint/Bedliner:
  - 5 year paint and Speed liner coverage on structural components of body, doors, and panels to be free from defects such as corrosion, blisters, unreasonable color loss, or delamination determined to be the result of paint failure. Written warranty must be included with bid.

## UTILITY CREW TRUCK WITH CRANE PURCHASE AGREEMENT

This Utility Crew Truck with Crane Purchase Agreement (“Agreement”) is made and entered into as of \_\_\_\_\_ (“Effective Date”) by and between the City of North Las Vegas, a Nevada municipal corporation (“City”) and [name of entity], a [state of registration and type of entity] (“Provider”).

### RECITALS

WHEREAS, the City desires to purchase one (1) utility crew trucks with crane as detailed on Invitation to Bid B-1667 (“Invitation to Bid”), attached hereto as Exhibit A (“Products”).

WHEREAS, the City desires to purchase the Products from Provider as outlined in this Agreement, including Exhibit A and Exhibit B, and Provider agrees to sell and deliver the Products upon the terms and conditions described in this Agreement.

**NOW, THEREFORE**, upon good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the City and the Provider agree to the following terms, conditions, and covenants:

### SECTION ONE RESPONSIBILITY OF PROVIDER

1.1. The Provider shall perform all of its obligations in the manner set forth in this Agreement including, without limitation, selling the Products to the City at the prices and quantities set forth in the Provider’s bid dated [ ] (“Bid”) attached hereto as Exhibit B, complying with the terms of the Invitation to Bid, attached hereto as Exhibit A, and all related additional or incidental tasks necessary to effectuate the intent of this Agreement.

1.2. The Products shall be new and must meet or exceed the technical specifications detailed in the Bid or as otherwise specified by the City.

1.3. The Provider shall ship the Products to a shipping address specified by the City (“Delivery Location”) F.O.B. Delivery Location as ordered by the City. Provider bears all risk of loss or damage to the Products until delivery of the Products to the City. Title to the Products passes to the City only after delivery and unloading of the Products at the Delivery Location is complete. Delivery of the Products is not complete until such Products have physically been received and accepted by the City.

1.4. The Provider shall furnish all user, instruction, or operator manuals for the Products as applicable.

1.5. The Provider shall furnish copies of all standard product warranties, extended warranties, and service and maintenance agreements for the Products from any manufacturer. To the extent possible, the Provider shall transfer or assign such warranties and agreements upon the request of the City.

1.6. The Provider shall promptly notify the City any time that the Provider fails to meet the requirements of this Agreement and shall, at its own expense, promptly take all actions to come back into compliance with this Agreement. If the Provider performs any additional task without obtaining the City's prior written approval, the Provider does so at its own risk and expense.

1.7. The Provider shall at its own expense comply at all times with all municipal, county, state and federal laws, regulations, rules, codes, ordinances, and other applicable legal requirements.

## **SECTION TWO PAYMENT AND TERM**

2.1. The term of this Agreement shall commence on the Effective Date and continue until the Products have been delivered and accepted by the City, unless earlier termination with accordance with the terms herein. Depending on the Products quantity that the City orders from the Provider the City may pay the Provider for the Products up to an amount not to exceed [ \_\_\_\_\_ (\$ \_\_\_\_\_) ] annually.

2.2. The prices in the Bid will remain in effect for the first three (3) years of the Agreement. No additional compensation shall be paid, and no increase in the time of performance shall be awarded to the Provider without the prior written authorization of the City to proceed with such changes.

2.3. Payment to the Provider shall be made within thirty (30) calendar days after the City receives each invoice from the Provider, provided that such invoice is complete, correct, and undisputed by the City. Upon reconciliation of all errors, corrections, credits, and disputes, payment to the Provider will be paid in full within 30 calendar days. Invoices received without a valid purchase order number will be returned unpaid. The Provider shall submit the original invoice to:

City of North Las Vegas Finance Department  
Attention: Accounts Payable  
2250 Las Vegas Blvd., North, Suite 700  
North Las Vegas, NV 89030

## **SECTION THREE REPRESENTATIONS AND WARRANTIES**

3.1. Provider represents and warrants for the benefit of City, in addition to any other representations and warranties made in this Agreement, with the knowledge and expectation of City's reliance thereon, as follows:

3.1.1. Provider is a duly formed and validly existing [entity type] and is in good standing pursuant to the laws of the State of Nevada and has the full power, authority and legal right to execute, deliver and perform under this Agreement.

3.1.2. The Products are now and shall be at the time of delivery free from any security interest, lien, or other encumbrance.

3.1.3. Provider is financially solvent, able to pay its debts as they mature, and possessed of sufficient working capital to perform all of its obligations under this Agreement.

3.2. The representations and warranties made by Provider survive the termination or expiration of the Agreement.

#### **SECTION FOUR INSURANCE**

Provider shall obtain and maintain, at its expense, the following insurance coverage for all work related to the performance of this Purchase Agreement: commercial general liability insurance, automobile liability insurance, worker's compensation insurance, and employers' liability insurance. While a copy of the Provider's insurance certificate is not immediately required, the City reserves the right to request a copy of the Provider's insurance certificate at any time during the Term of the Agreement. It is the Provider's responsibility to produce the insurance certificate upon the City's request.

#### **SECTION FIVE TERMINATION**

The City may terminate this Agreement at any time with or without cause upon notice to the Provider, and the City shall have no liability to the Provider for such termination except that the City shall pay the Provider for the reasonable value of the Products provided by the Provider to City up through and including the date of termination, provided that the Provider, within thirty (30) days following the date of the City's termination notice, submits an invoice for such Products in a form reasonably acceptable to the City and such invoice is supplemented by such underlying source documentation as is reasonably requested by the City.

#### **SECTION SIX INDEMNIFICATION**

Notwithstanding any of the insurance requirements or limits of liability set forth herein, the Provider shall defend, protect, indemnify, and hold harmless the City, and its officers, agents, and employees, from any liabilities, claims, damages, losses, expenses, proceedings, suits, actions, decrees, judgments, reasonable attorneys' fees, and court costs which the City suffers, and/or its officers, agents or employees suffer, as a result of, or arising out of, the negligent or intentional acts or omissions of the Provider, its agents, and employees, or anyone employed by any of them, in fulfillment or performance of the terms, conditions or covenants of this Agreement including, without limitation, compliance with the terms of Exhibit A, and Exhibit B. This Section shall survive the termination or expiration of this Agreement until such time as the applicable statutes of limitation expire.

#### **SECTION SEVEN NOTICES**

7.1. All notices, demands, and other instruments required or permitted to be given pursuant to this Agreement shall be in writing and be deemed effective upon delivery in writing if served by personal delivery, by overnight courier service, by facsimile, or by overnight express mail, or upon posting if sent by registered or certified mail, postage prepaid, return receipt requested, and addressed as follows:

7.2. The address to which any notice, demand, or other writing may be delivered to any party as above provided may be changed by written notice given by such party as above provided.

## **SECTION EIGHT SAFETY**

8.1. Obligation to Comply with Applicable Safety Rules and Standards. Contractor shall ensure that it is familiar with all applicable safety and health standards promulgated by state and federal governmental authorities including, but not limited to, all applicable requirements of the Occupational Safety and Health Act of 1970, including all applicable standards published in 29 C.F.R. parts 1910, and 1926 and applicable occupational safety and health standards promulgated under the state of Nevada. Contractor further recognizes that, while Contractor is performing any work on behalf the City, under the terms of this Agreement, Contractor agrees that it has the sole and exclusive responsibility to assure that its employees and the employees of its subcontractors comply at all times with all applicable safety and health standards as above-described and all applicable City safety and health rules.

8.2. Safety Equipment. Contractor will supply all of its employees and subcontractors with the appropriate Safety equipment required for performing functions at the City facilities.

## **SECTION NINE MISCELLANEOUS**

9.1. Nevada and City Law. The laws of the State of Nevada and the North Las Vegas Municipal Code shall govern the validity, construction, performance, and effect of this Agreement, without regard to conflicts of law. The parties to this Agreement consent to the jurisdiction of any court of competent jurisdiction in Clark County, Nevada to adjudicate any dispute related top this Agreement or actions to enforce or interpret the terms of this Agreement.

9.2. Assignment. Any attempt to assign this Agreement by the Provider without the prior written consent of the City shall be void.

9.3. Non-Waiver. The failure to enforce or the delay in enforcement of any provision of this Agreement by a party shall in no way be construed to be a waiver of such provision or right unless such party expressly waives such provision or right in writing.

9.4. Partial Invalidity. If any term of this Agreement should be held by a court of competent jurisdiction to be invalid, void or unenforceable, all provisions not held invalid, void or unenforceable, shall continue in full force and effect.

9.5. Controlling Agreement. To the extent any of the terms or provisions in the Bid conflict with this Agreement, the terms and provisions of this Agreement shall govern and control. Any additional, different or conflicting terms or provisions contained in Provider's Bid or any other written or oral communication from Provider shall not be binding in any way on the City whether or not such terms would materially alter this Agreement, and the City hereby objects thereto.

9.6. Attorneys' Fees. In the event any action is commenced by either party against the other in connection with this Agreement, the prevailing party shall be entitled to its costs and expenses, including reasonable attorneys' fees, as determined by the court, including without limitation, fees for the services of the City Attorney's Office. This Section 9.6 shall survive the completion of this Agreement until the applicable statutes of limitation expire.

9.7. Entire Agreement. This Agreement constitutes the entire agreement between the parties and supersedes all prior representations, agreements, and understandings of the parties. No addition to or modification of this Agreement shall be binding unless executed in writing by the parties hereto.

9.8. Time of Essence. Time is of the essence in the performance of this Agreement.

9.9. Shipping. The Products are to be packaged in a manner that assures they are protected against deterioration and contamination. All shipments are to meet applicable D.O.T. Regulations. Serial numbers noted on the packing slip must match the serial number of the actual goods shipped. Incorrect or questionable documentation of serial numbers may result in shipment rejection. Shipments rejected due to Provider error will be returned solely at Provider's cost.

9.10. Inspection. An authorized representative of the City will inspect the Products at time of delivery. If deficiencies are detected, the Products may be rejected and the Provider will be required to make necessary repairs, corrections, or replacements. Payment and/or commencement of a discount period will not be made until the corrective action is made, the Products are re-inspected, and accepted.

9.11. Further Assurances. The Provider shall execute and deliver all such documents and perform such acts as are reasonably requested by the City to complete its obligations under this Agreement.

9.12. Effect of Agreement Termination. In the event this Agreement is terminated, all rights and obligations of the parties hereunder shall cease, other than indemnity obligations, and matters that by their terms survive the termination hereof.

9.13. Fiscal Funding Out. The City reasonably believes that sufficient funds can be obtained to make all payments during the term of this Agreement. Pursuant to NRS Chapter 354, if the City does not allocate funds to continue the function performed by the Provider under this Agreement, this Agreement will be terminated when appropriated funds expire.

9.14. Public Record. Pursuant to NRS 239.010 and other applicable legal authority, each and every document provided to the City may be a “Public Record” open to inspection and copying by any person, except for those documents otherwise declared by law to be confidential. The City shall not be liable in any way to the Provider for the disclosure of any public record, including but not limited to documents provided to the City by the Provider. In the event the City is required to defend an action with regard to a public records request for documents submitted by the Provider, the Provider agrees to indemnify, hold harmless, and defend the City from all damages, costs, and expenses, including court costs and reasonable attorney’s fees related to such public records request. This section 8.14 shall survive the expiration or early termination of the Agreement.

9.15. Electronic Signatures. For purposes of this Agreement, the use of facsimile, email or other electronic medium shall have the same force and effect as original signatures.

9.16. Federal Funding. Supplier certifies that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, in receipt of a notice of proposed debarment or voluntarily excluded from participation in this transaction by any federal department or agency. This certification is made pursuant to the regulations implementing Executive Order 12549, Debarment and Suspension, 28 C.F.R. pt. 67, § 67.510, as published as pt. VII of the May 26, 1988, Federal Register (pp. 19160-19211), and any relevant program specific regulations. This provision shall be required of every subcontractor receiving any payment in whole or in part from federal funds.

9.17. Boycott of Israel. Pursuant to NRS 332.065(4), Provider certifies that the Provider is not currently engaged in a boycott of Israel, and Provider agrees not to engage in a boycott of Israel during the Term.

**IN WITNESS WHEREOF**, the City and the Provider have caused this Agreement to be executed as of the day and year first above written.
